Scout Leader Writes From Roundup

(Editor's Note: This letter, addressed to Girl Scouts of this area, was written by Mrs. Eleanor Swift, a Franklin leader attending the Girl Scout Senior Roundup in Colorado Springs, Colo.)

Hi! Girls... How I wish you could meet the staff at the roundup. Even 25 years of Scouting is common. In fact, if I tried to describe the extent of facilities and time, all of which are donated, free of charge, you'd think I was telling a tall tale! The Roundup site is located north of Colorado Springs, right under Pike's Peak, where two large cattle ranches join. These cattlemen are letting us tramp over and dig up their land for many months. At first, there was no electricity, phone lines, roads, dwellings, or sanitation facilities. Now they are all here, a pioneer city for 10,000 Scouts, who arrive July 1 and 2. My work will not start until they begin to drift in. From every patrol, such as the one from Waynesville, Brevard, Murphy, there will be a correspondent for each town paper represented. Complete responsibility to get news of the Roundup, plus human interest stories, back to the citizens who sponsored them is a typical job for the senior Scout.

I am advising the correspondents I want to report to my paper, The Franklin Press. A leader myself, I want to share with the Scouts and Brownies in Franklin the activities and demonstrations at the largest Girl

Miss Juanita Cassada, daughter of Mr. and Mrs. Gene Cassada, and Nelson Eugene Dowdle, son of Mr. and Mrs. Woodrow Dowdle, were married on Saturday, July 4, at two o'clock at the First Methodist Church.

The Rev. Don Langfitt, pastor of the First Presbyterian Church, officiated, assisted by the Rev. Robert E. Early, pastor of the First Methodist Church. Wedding music was presented by Mrs. L. J. Her fingertip veil of illusion fell from a crown of seedpearls and sequins and she carried a white Bible topped with a white orchid.

More room to relax in, for instance. A sampling of official dimensions reported to A.M.A.* makes this clear. Chevy front seat hip room, for one thing, is up to 5.9 inches wider than comparable cars. And Chevy even offers more front seat head room than all but one of the high-priced cars!

NASCAR†-conducted test of repeated stops from highway speeds. Best Style It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling." Best Engine Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "... surely the most wonderfully responsive engine available today at any price."

able to tell this yourself instantly, once you take the wheel. Best Economy No doubt about this: two Chevrolet 6's won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car, 22.38 miles per gallon—with Powerglide. Best Trade-In Check in any N.A.D.A.‡ Guide Book. Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."
