Let's Go Hunting. No one knows the silent heart-Only those who have lost can tell The grief that is born in silence for the one we loved so well. They say time heals all sorrows and will help us to forget But time so far has only proven how much we miss you yet. God gives us strength to fight it and courage to bear the

blow. But what it meant to lose you-No one will ever know. It only takes this little space to tell how much we miss you. But it will take a whole life through to forget the day

we lost you. In memory of Mr. Jake P. Deal, who passed away October 8, 1958. Mrs. Aver Watts Deal and Children
