

# WITH THE FARM WOMEN — U. N. Committee Serves Foods Of Foreign Lands

**By MAIDRED MORRIS**  
(Items this week from Scotland, Avery, Union, Forsyth, Lenoir, and Gates Counties.)  
**United Nations Observance**  
The U. N. Planning committee and eight delegates to the United Nations recently had a luncheon featuring foreign foods in Scotland County.  
Mrs. Laura B. Wright, home economics agent, said each member prepared a dish and lunch was served buffet style at the home of Mrs. E. P. Gibson. The menu consisted of veal aspic, asparagus polonaise, coffee and turpentine salad, English muffins,

wine trifle and coffee.  
**Heating And Wiring**  
Home demonstration club women in Avery County are becoming more interested in central heating systems, says Miss Marie Scott, home economics agent.  
More people are realizing benefits from central heat and need to know what type will suit their needs. Wiring was discussed because many homes have been wired for many years and cannot take care of all appliances being used today.  
**New Home Completed**  
Mr. and Mrs. Oren Starnes, of the Prospect community in Union

County, have recently completed their new four-bedroom home. Much time was spent in planning colors, floor coverings, arranging work centers, and built-ins.  
Miss Cloise Williams, assistant home economics agent, reports that their home shows results of sound thinking and planning.  
**Premiums Pay Off**  
Home demonstration club women rated high with their home-making products recently at the fair in Forsyth County.  
According to Mrs. Elizabeth Tuttle, home economics agent, Mrs. Richard Rierson, of Griffith club, won \$21 in baking and sewing. She won a special \$10 award from Standard Brands for her light rolls. Mrs. Lewther Hines, of Parkview club, won the 25-jar exhibit plus other prizes amounting to \$38.  
**Furnishing Room**  
Have you made minor adaptations in your home for small children which could contribute to the child's development? According to Miss Marie Fenel, home economics agent in Lenoir County, this could give the child a feeling of belonging in the family.  
At recent home demonstration club meetings, suggestions were given on how to make a child's room more comfortable. Use animal cut-outs, sturdy step-stools, adjustable clothes rods and plan to have a child's chair and table.  
**Dress Revue**  
Gates County Home Demonstration Club women featured many activities at their "Achievement Day" program held recently.  
A dress revue was presented, featuring garments made by club members during the past year. An attractive exhibit of craft items was on display.  
According to Miss Lydia Griffin, home economics agent, W. H. Skarron, principal of Sunbury High School, gave an illustrated lecture on home life in Japan. He told about his recent trip to Japan, stressing the living conditions and customs of the Japanese people.
