Sorrells Preaches

Despite Sunday's driving snow, a good attendance was had at Higdonville Baptist Church's morning worship service at which the Rev. Paul Sorrells preached. Mr. Sorrells, who attends Baptist Seminary at Wake Forest, is a former pastor at Higdonville and is presently the pastor at Burningtown Baptist Church. No other services were held at Higdonville Sunday.

Church Items

Sunday school was held at Sugarfork Baptist Church Sunday but preaching services were cancelled so the pastor, the Rev. Jarvis Underwood, who lives in Waynesville, and other members of the congregation who had several miles to travel could get home before the roads became too hazardous.

The Cullasaja Assembly of God Church also cancelled preaching services Sunday morning after the Sunday School hour because of the weather.

Fellowship Supper

Saturday night, a fellowship supper for the Franklin Methodist Circuit was held at the Bethel Methodist Church.

Three churches—Bethel, Clark's Chapel, and Hickory Knoll were represented, with about 25 present for the supper meeting.

These fellowship supper meetings are held monthly at one of the churches in the circuit.

To Have Conference

The quarterly conference will be held at Bethel Methodist Church on Sunday, March 6.

There will be morning services and lunch will be served at noon in the church basement.

Meeting Set

The Cullasaja Community Development Organization will meet Tuesday night, March 1, at the school. Members are urged to attend. Everyone selling black pepper or vanilla for the organization is asked to bring in the money collected from sales. Anyone interested in buying black pepper or vanilla flavoring from the organizations is asked to contact Elma Russell.

Meeting Postponed

The meeting of Higdonville Home Demonstration Club, set for last Thursday, was cancelled because of bad weather. An all-day meeting will be held in March at the home of Mrs. Ann Berry to make up the February meeting and for the March meeting.

Reminder!

Higdonville Community Development Organization will meet Thursday, March 3. The meeting will be held at the home of Mr. and Mrs. Sammy Bryson, Jr., beginning at 7:30.

Quilting Bee

Today (Thursday), the Cullasaja Home Demonstration Club is having a quilting in the basement of Bethel Methodist Church. Several women from Bethel church and some of the Higdonville home demonstration club women are helping. The group will enjoy a covered dish luncheon at noon.

New designs for financial security from New York Life!

Family Insurance Plan insures lives of entire family in ONE CONVENIENT POLICY!

Designed to fit into today's modern pattern of family living is New York Life's Family Insurance Plan. If your family qualifies, each unit provides these benefits: For you — \$5,000 of permanent insurance.

For your wife — \$1,250 insurance if she's your age — more if she's younger, less if older. Her insurance continues to your age 65 — can then be converted to permanent insurance.

For your children — \$1,000 insurance on each insured child. Newly arrived babies from age of 15 days to 6 months are automatically covered for \$500 — after 6 months for \$1,000.

Premiums are realistically low, too! See me soon for complete details.
