

**IS FRANKLIN SENIOR —
Judy Blaine Is Recipient
Of \$2,500 ALCOA Grant**

Miss Miriam Judith (Judy) Blaine, daughter of Mr. and Mrs. Doyle W. Blaine, of Franklin, has been awarded a \$2,500 scholarship by the ALCOA Foundation.

This was announced last week by William G. Crawford, chairman of the Nantahala Power and Light Company Scholarship Selection Committee.

Judy, a senior at Franklin High School, was selected as a winner from a group of 24 sons and daughters of ALCOA employees at Nantahala Power and Light Company, with headquarters in Franklin, and Aluminum Company of America Works at Badin.

Six of the contestants for the scholarship are children of Nantahala Power and Light Company employees, according to Mr. Crawford. All of the candidates for the

scholarship, he said, had previously met the scholastic, moral and leadership qualifications and had been chosen to take the college Entrance examination by their respective selection committees. The final decision of the committee was greatly influenced by the score made on the competitive examination by Miss Blaine, the local chairman said.

The ALCOA Foundation Scholarship program was inaugurated in the fall of 1953 for children of ALCOA employees. Since its beginning, 252 scholarships have been awarded and an additional 46 will be granted this year at the various ALCOA works locations throughout the country.

Miss Blaine was chosen as a representative to Girl's State in the 1959. She has been active in the

Miss Blaine

school chorus, Dramatic Club, and Spanish Club, as well as her church Youth Fellowship. She plans to study commercial art or architecture, and is considering furthering her education at the University of Georgia or at Woman's College of the University of North Carolina.

Other contestants for the scholarships from this area were: Gary H. Calloway, Miss Pauline Hedden, Miss Jane B. Long, and George D. Slagle, all of Franklin; and Miss Sara Marie Long, of Andrews.

Members of the Nantahala selection committee, in addition to Mr. Crawford are Harry W. Corbin, Franklin, Stanley W. Black, Bryson City; R. M. Ainsley, Cullowhee; J. Smith Howell, Robbinsville; and L. B. Nichols, Andrews.

Mr. Blaine, father of this year's scholarship winner, has been employed by Nantahala Power 17½ years and is presently assistant chief clerk for the company.

Previous ALCOA Foundation Scholarship winners from this area include Ellen H. Conley (now Mrs. T. A. Carpenter), Nantahala, a graduate of Meredith College; Miss Edith H. Christy, Franklin, a student at Pfeiffer College; and John R. Slagle, Jr., Andrews, a student at King College, Bristol, Tenn.

Americans in 1958 took about the same amount of cream in their coffee — and in other foods — as they did the year before. But usage of cream is only about two-thirds what it was during the late 1930's and during the war. Sales of milk-cream mixtures, such as half and half, have increased in recent years and have helped to maintain the level of cream sales, says the National Dairy Council.

Miss Bradley

**Miss Bradley
Is Nominee
For Grant**

A Franklin High senior, Miss Alice Bradley, is being sponsored by the Franklin Junior Woman's Club as the District I candidate for a \$1,000 scholarship offered by the North Carolina Federation

of Women's Clubs.

Along with nominees from the 14 other districts in the state, Miss Bradley will go to Raleigh for an interview by the state

scholarship committee. The state winner will be announced in Raleigh April 5-7 during the state convention.

She is the daughter of Mr. and

Mrs. Edwin J. Bradley, of the Iotla community.

To be used at the Greater University of North Carolina, the scholarship is awarded on the

basis of character, scholarship, leadership, and financial need. The winner may receive \$1,000 for each of her four years if she maintains a good record.
