

MISS SMITH ENGAGED

Mr. and Mrs. Harrison B. Smith, of Clyde, Route 1, announce the engagement of their daughter, Shirley Josephine Smith, to the Rev. Thad Robert Dowdle, son of Mr. and Mrs. Thad O. Dowdle, of Franklin. All relatives and friends are invited to the wedding which will take place August 19 at 8 p. m. in the James Chapel Baptist Church, Clyde, Route 1. No formal invitations are being sent.

LOYD TO LOS ANGELES

State Representative Leonard Lloyd of Graham County has been named as assistant honorary vice-president of the North Carolina delegation to the Democratic Convention in Los Angeles opening July 11.

This honor comes to Mr. Lloyd as a result of his managing Terry Sanford's primary campaigns for nomination as the Democratic candidate for governor. Mr. Lloyd served as district manager in the far western counties which delivered Mr. Sanford the greatest percentage vote in the state in the June 25 run-off primary. Senator B. Everett Jordan was named honorary vice-president of the convention delegation.

Mr. Lloyd served as district manager in the far western counties which delivered Mr. Sanford the greatest percentage vote in the state in the June 25 run-off primary. Senator B. Everett Jordan was named honorary vice-president of the convention delegation.

NATIVE GETS PROMOTION

James B. Ray, a native of Macon County, has been promoted to North Carolina staff accountant with the Southern Bell Telephone Co. Mr. Ray began his telephone career in 1919.

to hold their next event at Black Rock State Park near Mountain City, Ga.

This meeting will be highlighted by a covered dish picnic set for 12:00 noon on Friday, July 15, at the park. All Florida residents, visitors and former Floridians are invited to attend, including those who live in Macon and surrounding counties.

Persons attending are requested to bring along any game equipment they might have available as well as a covered dish and place settings.

The Chamber of Commerce of Clayton, Ga., will be on hand to welcome club members and assist in parking cars.

A short business session will be held following the picnic to make plans for future events.

Rotarians in charge until July 1. Rotarians present heard a talk by Mr. Tennent, who was introduced by John M. Archer, Jr. Mr. Tennent served as international president in 1957-58. During his term he was decorated by the governments of Brazil, Chile and Ecuador. He is presently chairman of the Rotary Foundation trustees, is listed in Who's Who in America, and owns Tennent Nurseries in Asheville where he is a member and past president of the Asheville Rotary Club.

Mr. Tennent, who is known by his nickname, "Buzz", wherever he goes, spoke to the club about his world travels as international president and told how in every corner of the world he found individuals whose lives were a practical application of "the noble but simple concept of Rotary." That concept, he explained, is "thoughtfulness of, and service to others. While the approach to service varies, just as climate and flowers, and manners vary, essentially it is the same in Africa and Asia as it is in Franklin, North Carolina."

"Rotary is the individual Rotarian," he emphasized. Other officers for the club this year are Weimar Jones, former president who now automatically becomes vice-president, Wayne Proffit, re-elected as secretary, John B. Ray,

serves a second term as treasurer, E. J. Whitmore and W. W. Sloan, re-elected as directors and Sid Martin and William B. Garrison, new directors.

was a complete loss.

The Franklin Fire Department went to the wreck scene, but was hampered by a lack of sufficient chemicals to douse the blaze. Water is insufficient to extinguish a gas fire. The Fire Department members were able to keep the flames from spreading into the surrounding wooded area.

"Yes sir," said Mr. Alexander, "the Lord had his arms around me that day."

"CONTEMPORA" 3-Bedroom Brikcrete House
A 3-bedroom home with attached garage, expressly designed for Brikcrete. Overall, 58 1/2' x 30'. Total enclosed area, 1578 square feet. Residence area, 1288 square feet. Plans and specifications are available for \$15.00.
\$750.89 — is our price for all the Brikcrete required to build all the walls as shown at top, including garage, fireplace and chimney.
Yard Price

The Contempora is but one example of Brikcrete economy. The same low price per square foot applies to any type of structure you may be planning to build—residential, commercial or industrial. Bring in your plans for free estimate. Inherent structural values—planned beauty—low cost—ready availability. Considered in these terms Brikcrete qualifies as the preferred masonry where pride and price are running mates. Wide color range. Strong and water-resistant. Three voids give self-contained insulation values. Squeezed out of Brikcrete price are freight and distribution—two of the biggest costs ordinarily present. For Brikcrete is a decentralized industry, processing local materials for local or nearby consumption. Savings effect drastic price reductions without sacrifice of basic quality. Write or phone for descriptive literature.

McCoy's building. Mr. McCoy explained that during the busy tourist season the razing of the porch would create a hazard and a traffic jam. The board agreed to this proposal upon the condition that Mr. McCoy get a signed statement from contractor Wiley Clark that demolition of the porch will be started by Sept. 1 and finished by Sept. 15. The board also authorized Mr. Swafford to investigate prices on a ditching machine (back hoe and front end loader) for the town.
