

# Congratulations To Social Security On Its 25th Anniversary 1935 - 1960

## 25 Years' Service To Your Community Social Security Week Is Aug. 14-20

Mayor W. C. Burrell, of Franklin, signs the Social Security Week Proclamation as George F. Linewall, Field Representative for Macon County, looks on.

### DRAFT PROCLAMATION SOCIAL SECURITY WEEK

The American social security system, which promotes the well-being of individuals and families, has served the Nation for 25 years.

First becoming law on August 14, 1935, the Social Security Act now provides income and services to individuals and families. It helps to keep families together and to free our people from fear and want.

Many in this community have been helped and are being helped by one or more of the programs established by the Social Security Act. These include Federal old-age, survivors, and disability insurance.

Now, therefore, in the 25th year that our national social security has been in existence, I, W. C. Burrell, Mayor of Franklin, in recognition of the service of social security to the country and to this community, proclaim the week of August 14 through August 20 as SOCIAL SECURITY WEEK in Franklin, and I further proclaim August 14th as SOCIAL SECURITY DAY in Franklin. I urge full participation by the people of Franklin in the events which have been planned in celebration of the 25th Anniversary of the Social Security Act.
