Franklin Youth In Germany Ready To Join His Family

Editor's note: Bill Hyde, son of Mr. and Mrs. Ernest Hyde, of Franklin, is one of two Franklin students in Europe this year. He is staying with Mr. and Mrs. Gerhard Paulsen in Eppstein/Taunus, Germany. I am writing from a new youth hostel called "Jugendherberge" in Kohn-Deutz, Germany. The sixty-five American Field Service students to Germany are staying here for two weeks. From the hotel we will go to our respective families throughout Germany. We sailed out of New York harbor at midnight on August 22. Few of us got to bed before three o'clock for all wanted to catch the last glimpse of America for six months. On the way over, much of our time was spent learning something of the German language and customs. We also had a little time to swim and relax on our smooth and pleasant voyage.

The "Seven Seas" stopped for the debarkation of several passengers at Southampton, England, and we had a little time to look at the shores of the Isle of Wight and its typically English scenery. The next morning we landed in the busy port of Rotterdam, Netherlands. It was raining the day we docked and has rained every day since. After going through customs we had the rest of the day for sightseeing in the rebuilt metropolises with the help of the Dutch American Field Service. That evening we boarded a direct train for Kohn (Cologne), Germany. We had just two minutes to shove sixty-five students and 300 pieces of luggage through the doors and windows. We barely made it! Since we have been in Cologne we've gone sight-seeing, have climbed the tower of the famous Cologne Cathedral taken an all-day boat trip on the Rhine River, and have been swimming in a fabulous modern indoor pool. Today we heard a speech by Dr. Russell, from the American Embassy in Bonn, on cultural exchange programs. Next week, the whole group will visit Bonn, the capital of West Germany, so that we can become better acquainted with the German government. We are going to the opera and to a Beethoven piano concert soon. They have an enormous, new opera house here in Cologne which is said to be the largest in Germany. But besides the fun there is also the work! Our German chaperones are continuing our language classes every day and are informing us about German life in general. By September 15 we hope to be sufficiently prepared to go to our families and start school life. For now, "Auf Wiedersehen" from your American Field Service student in Germany.

Evans Elected New President Of Florida Club

J. B. Evans, Jr., of Holly Springs community, was elected president of the Florida Club for 1961 at a picnic meeting at Arrowood Glade Friday, September 2.

Other officers who will take office with Mr. Evans on the first Friday in May of next year are Mrs. Verne Busch, vice-president, and C. G. Robinson, secretary-treasurer. Mr. Robinson is the outgoing president. The annual business session also was held at the picnic Friday and the club adopted a set of by-laws, which included the plan to elect officers for the coming year at that time so they would have more time to plan next season's activities. The Florida Club meets again tomorrow (Friday) at 5 p. m. at the parish house of St. Agnes Episcopal Church for a covered dish supper to be followed by a recreational period.

Invitations to the two teams were extended last week by E. Lamar Lunsford, Jr., of Leicester, during a visit here. The colorful Indian Fair generally attracts several hundred Maconians and the appearance this year of two dance teams should increase interest considerably.

Fair Building Floor Finished

Macon County's spanking new fair building now has a floor. Contractor Wiley Clark and his men finished pouring the concrete floor in the 40 by 100 foot building last week. In addition to cutting the price for the job "to rock bottom", Mr. Clark donated about \$200 in labor and materials, according to County Agent T. H. Fagg. The wiring for electricity and plumbing still must be done. However, the building will be ready for use at the county fair in October.
