POLICY DOLLARS ARE LARGER

Jefferson Standard now guarantees 2½% interest on funds held for policyholders and beneficiaries — but the Company has never paid less than 4% on policy proceeds and dividend accumulations left on deposit to provide income. This 4% interest rate is the highest paid by any major life insurance company in the United States.

That's why your premium dollars are larger . . . pay you more dividends and work harder with Jefferson Standard. Let us give you full particulars.
