

THE ANNOUNCEMENT

You Have Been Waiting for
FINAL AUCTION SALE NOV. 30, 10:30 A.M.

OF THE Famous Jackson Springs Property

If you were one of the 3,000 persons attending our first Auction Sale of this Property on the 20th and 21st of August it is not necessary to tell you how eagerly all of this property we could offer between rains was bought in. Never was there an auction sale pulled off in all North Carolina before that attracted a crowd of such magnitude, or created such widespread and whole-hearted interest.

We Put Jackson Springs on the Map IN BIG LETTERS

and during the next year house after house will go up on the 200 building lots and tracts already sold. The fame of Jackson Springs as the Ideal ALL-YEAR-'ROUND Place to live at permanently or to come to occasionally will soon go hand-in-hand with the renown of its celebrated Health and Life Giving Springs. The character of this colony will always attract the very best people of the Carolinas,

All this puts an absolute certainty into the unsold parcels of this property—yours to have and to hold at the price you make and on terms to suit purchaser. So easy anybody can meet them

Agriculturally, the Jackson Springs section is one of the best in Moore County, producing big yields of tobacco and cotton. Sandhill Peach Experts pronounce this section as ideal for the growing of peaches and several large orchards are located near there, one of 700 acres.

Property to be Offered Comprises: 5 Resort Cottages, furnished, and 15 Cottage Lots near the Hotel; 10 acre Peach Orchard; 2 small tracts with cottage; 50 tracts from 1-2 to 1 acre on Capitol Highway; 25 tracts from 3 to 20 acres; 1 farm of 72 acres, and the Jackson Springs Lake and Water Power Site of 47 acres.
