A large crowd attended the Square Dance here Friday night.

Several people of Lakeview have been to see Sweetheart Lake, 3 miles from here, most of whom were impressed by the little lake and its cool surroundings. We wish Sweetheart Lake a prosperous summer.

WANTS TO HEAR FROM ALL THE CANDIDATES

Hemp, N. C., May 8, 1922

Editor Moore County News:

I have read with deep interest the Resolutions passed by the North Carolina Federation of Women's Clubs, in session at Greensboro, and believe them to be highly commendable.

I should like to voice the sentiments I have heard expressed by many Moore county women, to the effect that we should like to know the stand taken by each man who has announced his candidacy for office in this county, in regard to better laws and law enforcement, especially as to whether, if elected, he will pledge himself to support the Constitution of the United States, including the 18th amendment.

In plain English we want to know what pledge each candidate will offer if elected, to enforce our laws. Lawlessness is gaining ground; our roads are becoming unsafe to travel and we must have men in office who will enforce our laws. We want to know just where each candidate stands on this matter.

One candidate, whose past record bears out his present promises, is Edgar R. Brown, for Sheriff. Mr. Brown is a determined, fearless man, who makes no compromise with evil, and whose record as a private citizen, revenue officer and magistrate shows his determination and ability to cope with lawlessness.

The women of this county would like to hear from each candidate on this important topic. Are you wet or dry? LOUISA REA WILSON. (Adv.) 1t.

The wise candidate is the one who comes out on a platform of more than one spring bonnet a season.

Radio will probably never be popular with politicians. There are no wires to be pulled.

We see where a New York couple were married in an airplane. That's not new. Lots of married couples here have their ups and downs.

We have also noticed that the courts of this country seem to be in pretty good repute with people who behave themselves.

New Orchards Everywhere!

IT ALL TELLS THE SAME TALE

The New Orchards are merely the forerunner of the **More New Orchards** that will be stimulated by the peach crop that will be harvested in July and August.

Don't go on the theory that when the fall expansion begins you can get a location as easy as you can get one now. Everybody is as well aware as you are what this all means. The fortunate owners who have peach sites now **KNOW** their value, and will not be giving them away in the fall. People who in the fall conclude they want to buy will find that they have waited for the crowd to be in the market.

A NUMBER OF GOOD LOCATIONS ARE STILL AVAILABLE ON

EDGEMOORE HEIGHTS

And nothing in the Peach Belt is superior in any way to the **EDGEMOORE PEACH LAND**. There will be **ONE OF THE GREAT ORCHARD DEVELOPMENTS** of the Sandhills, and the man who gets in will be a fortunate chap.

Look over some of the Edgemore lands. They are sold by
