BABIES, WELCOME!

A Place and Time when Babies Will Be Welcomed; Will Occupy the Place of Honor in the Public Eye

One of the most delightful features of the Sandhill Fair of 1922 was the Old Fashioned Baby Show at which were gathered a hundred or more of the babies of this section to compete for prizes.

It was also a source of surprise to many who had no idea we had so many good looking babies in the Sandhills.

This feature of the Fair was more or less of an experiment last year but it proved such an unqualified success that the decision to make it an annual affair was unanimous.

In order to avoid confusion in the minds of mothers we wish to state that this show is not conducted along the lines of the "Better Babies Show." We mean by that that there will be no doctors or nurses on the ground to weigh the babies to determine whether they are within four ounces of the required weight for age or whether the measure is exactly right around the waist but there will be judges to determine which is the best looking baby regardless of whether it is wearing a silk dress or a cotton one.

In other words, it is a real old fashioned baby show which everyone enjoys seeing and in which all mothers will take a lively interest.

The prizes, as noted, are exceedingly attractive and numerous and it is a forgone conclusion that the 1923 Baby Show will be one long to be remembered.

Here is a list of the prizes: Baby boy under one year, \$5.00, \$2.50, \$1.50, \$1.00. These same prizes are offered for the baby girl under one year, the boy and girl from one to two years, the boy and girl from two to three years, with a Sterling Silver Loving Cup for Champion Baby of the Show.

Competition is open to all babies in Moore, Lee, Harnett, Hoke, Cumberland, Scotland, Richmond, Montgomery, Randolph and Chatham counties.

It will be held on Wednesday, October 31st, at 11:00 a. m.
