ADDOR ITEMS

We are glad to report Mrs. A. C. Alden's condition greatly improved after a week's illness.

Miss Elsie Addor spent last week nursing Mrs. Jno. Blue in Aberdeen, and spent Sunday and Monday with Miss Margaret Keith in Vass.

Friends of Miss Agnes Keith, who recently began training at Highsmiths Hospital, will be glad to know that she is getting along well after receiving several gashes and bruises in an auto smash a week ago. A drunken man ran into the car in which Miss Keith was riding with a party of friends on the Parkton road. No one was injured seriously, tho all were bruised and badly shaken up. Miss Keith's wounds necessitated several stitches.

Miss Jeanne Addor came home Monday night after having nursed Mrs. Reid Page and baby for three weeks.

Mrs. Claudell left Monday for her Connecticut home after a pleasant visit of two months to her daughter, Mrs. F. G. Wiley.

Mr. B. J. Weathers and his lady friend, of Moncure spent last week with Mr. and Mrs. T. A. Burns here, and attended the Sandhill Fair. Mr. Weathers is pleasantly remembered here where he has many friends who are always glad to see him back. He was a former second-trick operator here.

Miss Viola Smith, who is in training at St. Johns in Wilmington, is at home on a visit with her parents, Mr. and Mrs. Luther Smith.

Mrs. Grady Gardner, of Hoffman, visited her parents, Mr. and Mrs. Luther Smith last week and attended the fair.

Miss Jeanne Addor, Mrs. Henry Addor and "little" Henry, are spending a few days in Fayetteville with Mrs. Addor's sister, Miss Agnes Keith and her aunt, Mrs. H. S. Averitt.

Rev. Litcher Smith, Presbyterian evangelist of Fayetteville, will begin a series of protracted services at the Christian church on Sunday morning next, at 11 o'clock. Services will last throughout the week, being held at 8 in the evening, and everybody is cordially invited to hear Mr. Smith who has conducted many revivals in this county and once before at Addor. Everybody remembers Mr. Smith pleasantly, all enjoy his preaching, and considers it a great privilege to have him in the community again.

E. H. PERRY WINS CHURN

Mr. E. H. Perry, of Siler City, won the churn given away by the Delco Light Co., at the Sandhill Fair last week. The contest was open only to farmers and out of over five hundred chances, Mr. Perry was the lucky one. Mr. John A. McLeod, of Carthage, represents the Delco company in this territory.

STIEFF PIANO CO'S CHRISTMAS CLUB

The Chas. M. Stieff Piano Co., of Charlotte, are calling attention, in this issue of *The Pilot*, to their Xmas Club plan for buying pianos. Look their ad up and make inquiry of them. They will be glad to furnish you with all information necessary pertaining to the purchase of a piano.

Inside and out, the new Ford Four-door Sedan shows improvements of far more than usual importance.

It is lower and sturdier in appearance. New cowl, hood, radiator and apron add size and finish to the front. Sun visor, and wide, well-finished aluminum doors with bar

handles perfect the design of the body.

Silk window curtains, deep broad-cloth upholstery; dome light, door lock, window regulators and handles, all finished in nickel, complete a refinement you would expect only at a far higher price.
