At the Baptist Church, January 18, Sabbath School at 9:45 a. m.; preaching by Rev. R. P. Gibson at 11 a. m. Community Praise Service at 7 p. m.; prayer meeting on Thursday evening at 7:30.

The week of prayer closed last Friday evening. There was a good attendance considering the rainy weather and influenza.

Last Saturday your correspondent received a marked copy of the Palitka Daily News, Palitka, Fla., with the following item: "On Tuesday, January 6, Rev. L. E. Wheeler, of Pinebluff, N. C., and Mrs. Florence F. Doe, of Philadelphia and Providence, R. I., were united in marriage by Rev. G. W. Carlin. The wedding took place at Bonnie View, the winter home of H. C. Gates in Lake Como. After Thursday January 15, Mr. and Mrs. Wheeler will reside for a time at "Afterglow Lodge," the residence of Mr. and Mrs. F. W. Hockenberry." The many friends of Rev. L. E. Wheeler extend congratulations.

Mr. Bennie Pierce who went to Florida a few weeks ago for the winter, came back last week with the report that it rained all the time and was cold, and the water stood on the ground all the time.

Mr. John H. Lotz, Jr., has returned to Williams College, Williamston, Mass., after spending his holiday vacation season with his parents, Mr. and Mrs. J. H. Lotz on Philadelphia avenue.

Dr. Mary Lou Miller, of Rockingham, has rooms in Mrs. Mary E. Akins large house on corner of Balti-

more avenue and Dixie Highway where she will be pleased to receive patients. Those who are receiving treatment of her are improving.

Mr. and Mrs. Jessie Newell are improving their property by setting out trees and shrubs.

Mr. and Mrs. J. F. Riedthaler are building a new feed store on their lots corner of Baltimore avenue and Pecan street. They will live in the second story.

Mr. Belton Fletcher is improving his time as well as the appearance of Pinebluff by doing a large amount of grubbing and trimming on our streets and avenues.

Mr. and Mrs. Gregory have moved to Southern Pines where they are reported to build a cottage on their lot purchased last year.

Your Pinebluff letter will necessarily be short this week, because your correspondent is shut in with the prevailing influenza.

"Now we beseech you brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,

"That ye be not soon shaken in your mind, or be troubled neither by spirit nor by word, nor by letter as from us, as the day of the Christ is at hand.

"Let no man deceive you by any means: for that day shall not come, except there come a falling away first and that man of sin be revealed, the son of perdition."—11 Thess. 2:1-4.

**BRAINS IN TABLET FORM**

How about this for a patent medicine advertisement! It appeared in Chinese newspapers of recent date:

"If you want to do new things you must have new ideas. If you want to have new ideas you must have new brains. Do you think that weak-minded and sluggish people can occupy superior positions in society? Do you think that clever and competent people can be kept down in the ladder of success?"

"By taking New Brain Tablets, sluggish minds are turned into clever minds; careless minds become shrewd minds; muddled brains become clear brains; and forgetfulness is replaced

**LITTLE RIVER STORES**

Vass, N. C.

January has come, stock taking has finished, and the Little River Stores find their stock in excellent shape. No quantities of out-of-date stuff on hand to slaughter at any price to make it go, for a discreet habit of buying sees that things bought are what this section wants, and that before the fashions change or the demand alters the goods bought have been disposed of and worn out.

But we always have a few things left from broken lots that we offer for a reduced price. Spring is not far away. We have more blankets than we care to keep on the shelves all summer.

**Good Chatham Blankets**

made at Elkin, N. C., of good North Carolina wool, by capable North Carolina artisans, blankets that have a reputation. Some all wool, some wool with cotton mixed, but all of the staple quality that the Elkin factory makes. Also some cotton comforts or quilts. Not many of any, but we would rather sell them than to carry them over.

**Men's and Women's Overshoes**

Possibly we do not have more than we need, but we have a good many yet, in all sizes, from the grown folks to the little people. Don't want them in the way all summer. You always want a pair of overshoes at times. Now is the chance to get them. Reliable goods, and always you know you have back of anything you buy at Little River Stores our guarantee and that of the manufacturer.

We are buying now for our spring stocks, and shelf room is soon to be needed. We want to put on the shelves with the opening of spring the best chosen lines we can buy for our varied patronage. In the quantities we buy for the three stores we get the best prices possible on the quality of goods we handle. We don't handle the cheapest lines of everything, but we do attempt to give the best prices possible on the lines we buy, and to give the best possible quality for the price. Remember that
