At the Baptist Church, May 3rd; Sabbath School at 9:45 a. m. Preaching by Rev. R. P. Gibson at 11 a. m.

Rev. Wm. Parsons will preach in the M. E. Church on Thursday evening and hold their second quarterly conference meeting, after the prayer meeting.

The Sunshine Mission Class of the Baptist Church will meet at the home of Miss Kittrell on Sunday May 3rd, at 3 p. m.

J. Stanly Smith is home at Pinebluff from a trip to Norfolk and the eastern part of the state, a portion of his time having been taken by the funeral of his mother Mrs. Nannie Elizabeth Smith, who died at her home in Farmville, N. C., at an advanced age. She leaves six children, and in all a total of 62 descendants. She was of the Joyner family, distinguished by its many prominent members in North Carolina history.

Mr. and Mrs. Jack Williams returned North last week.

Mr. and Mrs. A. F. Pitske gave a delightful afternoon tea Monday at 4:30 in honor of Mrs. J. A. McLaughlin who has spent the past eight weeks at the home of Mr. and Mrs. Martin James. Mrs. McLaughlin has returned to her home in Providence, R. I. and Mr. Pitske and family to their home in Pittsburgh, Pa.

Mr. and Mrs. Frank Krug and daughter, Mrs. Van Huel and husband and three children and Mrs. Krug's sister, Mrs. C. H. Adams and husband, who have occupied Mrs. Mary E. Akins' "Needle Knowl" residence the past season have returned to their home in West Long Branch, N. J.

Rev. L. W. Leverett, a Missionary from Hanin, China, who has spent the past season in Pinebluff for his health, returned North Tuesday morning. So far recovered that he hopes to be sent back to China, where he has been working for 30 years. Rev. Leverett preached to the people of Pinebluff in the Methodist Church last Sunday morning, giving us an outline of his work there. The Baptist congregation united with the Methodist in a farewell service.

Mr. Cecil Farrell has had his house and garage painted on the outside.

Mr. Mirris Miller has nearly finished Mr. Charles Minards bungalow and is putting up the frame for his new bungalow just north of Mr. and Mrs. Minards on Current street.

The first load of material arrived for the new Pinebluff hotel last Thursday.

Mr. and Mrs. Gogles have rented Mr. Albert Austins cottage, on Boston avenue, for the summer; Mr. Gogles is the foreman on the new hotel work.

Mr. J. Stanley Smith is at his home at Va. Beach, for a few days.

Mr. and Mrs. Talmage Shaw and children on their return trip from Bladen, where Mrs. Shaw has been visiting her parents, visited his sister Mrs. Jessie Newell on Sunday afternoon.

Mr. and Mrs. Jessie Newell and daughter, Attie and Miss Vera Lamp-

ley, attended the commencement exercises at Pinehurst, on Monday evening. Seven young people carried off diplomas, six young ladies and one young gentleman.

On Wednesday evening of this week occurs the bi-annual election of officers for the town of Pinebluff. No one seems to know who will be available for any of the offices, or the name of any one under consideration.

The 30th of May is decoration day for Pinebluff. It was suggested last year that a cemetery corporation be organized, but I have not heard of anything being done along that line, or of anyone being appointed to take the lead in the matter. As the time is approaching to clean the yard and call the people together, some one should take the lead and make out a program.

Mr. and Mrs. George Smith and Mrs. Smith's mother, Mrs. Scott, started for their home in Oakdale, Conn., on Wednesday evening of this week. We all will miss them.

Mrs. F. B. Howland of Southern Pines made a business trip to Pinebluff on Monday last. It is reported that as Mrs. Howland still owns vacant lots in town she contemplates building a new house thereon. Now as the new hotel is an assured fact we hope many who own lots here will see their way clear to build winter homes in our mild climate.

On account of the storm, Miss Kittrell has put off her lecture till next week, Tuesday at the Baptist Church at 7:30 p. m.

A cold rain storm has come trooping down from the frozen north and put an end to our hot weather of 100 in the shade for a few days, but we are not looking for frost at this time of the year.

The water lines are being laid to the new hotel grounds, sheds are being built in which to store building materials and preparations are being made for starting the work of building the new hotel.

"Forbearing one another, and forgiving one another, if any have a quarrel against any: even as Christ forgave you, so also do ye."

"And above all things put on charity, which is the bond of perfectness."

"And let the peace of God rule in your hearts, to the which also ye are called in one body; and be ye thankful."—Col. 3:14-15-16.

Spring cleaning is not over until the poultry house has been thoroughly cleaned, made free from lice and mites and put in shape for the coming of hot weather, say poultry experts of State College.

HOWEVER far the Packard owner may roam he finds the outposts of Packard's service army.

Authorized Packard service stations have quadrupled in four years. Their number is constantly increasing, for since Packard Six enclosed cars were reduced by an average of \$750, motoring comfort and distinction are within the reach of more people.

Owners of the improved Packard Six know how little professional attention their cars require—but Packard service available everywhere insures added peace of mind at home, or three thousand miles from home.
