Time to Shoe the Family

TIME TO SHOE THE FAMILY—This is the period of the year when heavier shoes give way to lighter foot gear, and we have that dependable Red Goose, the shoe that takes off its hat to nothing. We have men's shoes, women's shoes, children's shoes, all the kinds and types that we think you would be interested in, and of the sort that will stand all the tests.

BRIGHTEN UP WITH NEW FURNITURE—We have the new porch benches and swings you need. Rockers and chairs to go with them. Cheap and comfortable. Things like these help to keep the boys and girls on the farm.

WIRE SCREENING IN ALL WIDTHS—This is another factor for comfort. Costs little, helps much.

FURNITURE FOR INSIDES AS WELL AS OUTSIDE—Three-piece beds, Mattresses, Springs, Suites, chairs rockers and Tables.

FLOOR COVERING—Rugs, Linoleum, everything that you will care for for floor use, and of a quality and at a price that will interest the family. Man who has a store in Chatham county came to our store the other day and bought some rugs. Must be a reason, but we don't ask impudent questions.
