CAMERON

Still on the job for 1928. A prosperous New Year and many more to come to all my friends and readers of the Cameron letter. With grateful appreciation for the tokens of remembrances of the beautiful, the substantial, the helpful and the many beautiful sentiments expressed through the mail.

Mrs. D. S. McKeithen, of Raeford, Mr. and Mrs. John McKeithen, of Greenville, were callers last week of Rev. and Mrs. M. D. McNeill and the Correspondent.

Mrs. Mary Agnes Hobbs, and her lovely daughter, Miss Margaret Hobbs, of Fayetteville, were guests for the yuletide of Misses Mamie and Kate Arnold.

W. T. Phillips, out on Rt. 2, sold \$100 worth of turkeys before Christmas. How is that for an old time turkey trot?

D. CARL FRY  
Carthage, N. C.

Mr. and Mrs. J. W. Hunter received news of the death of their son-in-law, W. L. Tyndal, who passed away last week at his home near Kinston. He leaves a widow who before her marriage was Miss Sue Hunter, of Cameron. Also he leaves two children.

Miss Callie Hunter came over from Charlotte for a part of the holidays.

L. B. McKeithen was a generous Santa Claus at Christmas to John Morriss and his sister, Mary, an old and needy couple living out on Rt. 2. They are poor, but honest, and that may be one reason they are poor. Mr. McKeithen gave them coats, cloaks, overcoats and shoes and other necessities. And he will be blessed by Him whose thoughts were so much with the poor, and who had compassion for all human sorrow.

Marvin Thomas, of South Carolina, visited his parents, Mr. and Mrs. R. C. Thomas at the beginning of the holidays.

Dr. A. L. O'Briant and family have decided to leave Cameron and pitch their tent in Sanford. We understand that a Doctor Harper, from the mid-western part of the State, is to take over his practice and move to Cameron.

There is such a thing as reaching for greener bushes, and higher berries—when the most perfect and luscious berries grow near the ground. Wade Collins from State College, Currie Spivey, from Guilford, were home for the holidays.

Miss Mary McNeill, of Lee-line, spent a part of the holidays with Miss Ada McNeill and Mrs. D. W. McNeill.

Mr. and Mrs. A. D. Hartsell and children, Irene, A. D. Jr., and Raleigh, of Lakeland, Fla., Mr. and Mrs. Z. V. Hartsell and daughter, Valdo, of Morven, were holiday visitors of Rev. and Mrs. J. W. Hartsell and Mr. and Mrs. T. A. Hendricks.

Friends of H. D. Tally will regret to learn of his illness at Buffalo, N. Y., where he with Mrs. Tally went on a visit to his son, J. B. Tally. Last reports he was improving.

Dr. and Mrs. O'Briant were supper guests Friday evening of M. D. McLean and Miss Vera McLean.

Mrs. James McLean, on Rt. 2, enjoyed a reunion of all her children and grand children on Christmas day. Dr. and Mrs. J. W. McLean and children, of Godwin; Rev. M. J. McLean, of Birmingham; Miss Mary McLean, of Raleigh; Miss Alma McLean, of Greensboro; Mrs. Joe Ayers and children, of Oak City; Mrs. Sallie Currie, on Rt. 2; Misses Ella and Margaret and Don McLean at home.

M. D. McLean and niece, Miss Vera McLean, spent New Year's Day with Mr. and Mrs. J. H. McDonald, of Carthage.

Ralph Thomasson, Henry Dowell Jones, of Campbell College, Miss Ellen Royal Jones, of Mars Hill, spent the holidays at home.

Prof. and Mrs. J. Clyde Kelly and children spent Christmas day with D. D. Kelly and Mr. and Mrs. W. E. Kelly on Carthage Route.

Miss Mary Emma Thomas, who teaches at Carthage, came home for the holidays.

Misses Mary and Fanny Douglas, of Sage Garden, Miss Mary Lee Thomas, from High Point, spent Christmas at home.

Mr. and Mrs. Richard Maples, of Durham, were holiday visitors of Mr. and Mrs. A. M. Snipes.

Mrs. Laura Rogers visited her children in Sanford Christmas.

Mr. and Mrs. Ben Gullledge have moved from the McQueen place on Rt. 2, to the farm of Mrs. Rogers on Rt. one.

John C. Ferguson, senior at State College, was home for the Yuletide.

Miss Alice Dlyrymple, of Broadway, was a holiday guest of Misses Lillian and Thurla Cole.

Miss Lena McBryde, of Aberdeen, visited her aunt, Mrs. Asa Yow, during the Christmas season.

Pharoh Bullock has purchased the home of J. D. Spivey and has moved in with his family.

Alton Cole entertained the little boys of the John McNeill Society Christmas week. Jolly games and noise a plenty, the kind little boys make when having a good time, after which cake, candy and pickles were served. Mrs. W. G. Parker was guest of honor.

Mrs. R. C. Thomas and son, I. S. Thomas, paid a recent visit to Mrs. Thomas' sisters, Mrs. Anna Godwin and Miss Jennie Harmon, of Durham.

Frank C. McNeill, of Richmond, spent the holidays with his parents,

for Economical Transportation

See the  
**New Chevrolet**  
now on display!

Today, Chevrolet presents the crowning triumph of sixteen years' continuous progress—a great new automobile so impressive in appearance, performance and staunchness that it marks the opening of a new era of luxurious transportation at low cost.

Built on a 107-inch wheelbase—4 inches longer than before—the Bigger and Better Chevrolet is impressively large, low and racy. Its new Fisher Bodies are finished in new Duco colors and offer rich new upholstery and handsome appointments. Its improved valve-in-head engine has numerous impressive features such as alloy "invarstrut" pistons, hydro-laminated camshaft gears, mushroom type valve tappets, AC oil filter and AC air cleaner. The chassis also has been redesigned. As a result, the new Chevrolet provides delightful smoothness throughout the entire speed range—a wide margin of power for hills—

click-of-the-heel acceleration—the ability to maintain 50, 55 and 60 miles an hour without the slightest sense of forcing or fatigue—the safety of four-wheel brakes—the steering ease that can only result from a ball bearing worm and gear steering mechanism—and comfort over all roads at all speeds due to semi-elliptic shock absorber springs—84% of the wheelbase.

Come in—see the car—and learn how Chevrolet has again electrified America by creating a bigger and better motor car and offering it at prices so low as to be actually amazing!

Every feature of advanced design demanded in the finest cars now offered in the New Chevrolet! Read this partial list.

- Improved valve-in-head motor.
- New stronger frame 4' longer; wheelbase 107".
- Thermostat control cooling system.
- New alloy "invar strut" pistons.
- New instrument panel, indirectly lighted.
- New two-port exhaust.
- New ball bearing worm and gear steering.
- Semi-elliptic shock absorber springs; 84% of wheelbase.
- Safety gasoline tank at rear. Larger balloon tires 30" x 4.50".
- New streamline bodies by Fisher.
- Alumite pressure lubrication. New Duco colors.
- Theft-proof steering and ignition lock.
- AC oil filter.
- AC air cleaner.
- Single-plate dry disc-clutch.
- New crankcase breathing system.
- Heavy one-piece full-crown fenders.
- Vacuum tank fuel supply.
- Improved Delco-Remy Distributor ignition.
- Combination tail and stop light.
- Large 17" steering wheel, spark and throttle levers located at top.
- Fisher "VV" one-piece windshield on closed models.
- Automatic windshield wipers on closed models.
- Semi-floating rear axle.
