NO LONGER ON THE FRONTIER

Half a dozen years ago Weymouth Heights was outside the boundary of Southern Pines Village. Today the frontier has moved on ahead.

Weymouth promises to be surrounded by development.

The Country Club is moving past the front of Weymouth Development.

Country homes are in prospect out toward the Fort Bragg boundary.

Weymouth presently will be the heart of a highly attractive development with neighbors beyond and beside.

But no matter how much the development expands no new land is being created up that way.

This is the time to secure a location up there.

Make Your Money Work for You---

The reason some people seem so prosperous under all conditions is often because they have money at work for them. They have saved a reasonable portion of their earnings and placed it in the bank on interest. They are then assured of a certain definite income every year.

You have to work for your money. Then make your money work for you. Two dollars per week placed in a savings account every year for ten years will amount with interest to over \$1,300.00. Can you not save two dollars per week?

We pay 4 per cent interest and compound the interest quarterly. We would be pleased to have you open an account with us.
