## Deep Designing

"What have you against me?" "Nothing," said Mr. Cumrox. "I think I should like you for a son-in-law."

"Then why did you forbid your daughter to see me?"

"I wanted to introduce an element of romance that would induce her to defy my wishes and concentrate on a young fellow for whom I really have a high regard."

# The Neighbors will KNOW without being told . . .

4-Door Sedan, \$845 + Body by Fisher

PEOPLE don't go around telling their neighbors, "I'm progressive. I'm looking for finer things." Yet neighbors have ways and means of knowing. And one of their surest signs is the family automobile . . . That's why the New Pontiac Big Six offers so much to up-and-coming Americans. It represents progress. It constitutes an impressive step up from lower-priced transportation.

The Pontiac Big Six is a real innovation—a brand new car from beginning to end. It offers big car performance, luxury, comfort and style at prices which make no great drain on the purse.

Prices \$745 and up, f.o.b. factory, plus delivery charges. Bumpers and rear fender guards regular equipment at slight extra cost. Check Oakland - Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.

## Another New House and Two More Lots on Knollwood Heights

"Here we come, durn our fool souls, head us somebody," said the little boy when he yoked himself up with the calf and the two of them, on the calf's initiative, started to run away.

Mrs. Gertrude Martin Neidich Secures Locations No. 453 and 455 On Crest Road

They Are Preparing to Build

Mr. and Mrs. Neidich have been at the Pine Needles Inn, and there they became attached to Knollwood. They are an interesting pair, and a valuable acquisition to the Knollwood community. Mrs. Neidich is the daughter of that fine old educator Prof. C. A. Martin, who for a quarter of a century has been head of the department of Architecture at Cornell. He will design an English home for the young folks, who will build as soon as preparations can be completed.

Mr. Neidich is the son of one of the foremost research and manufacturing chemists of the country, closely connected with the modern development of that rayon and celluloid and kindred products group, and their creation embraces much that is used in electricity, chemistry, manufacturing, and the industries.

Their new home will be close to the Pushee House.
