## The Building Movement On Knollwood Heights--

### HALBERT BLUE READY TO BEGIN HIS NEW HOUSE

Within the next few days Halbert Blue will commence the handsome new house he is preparing to build on the corner of Crest road and Midland road, on Knollwood Heights.

The structure is one of the commanding designs by Yeomans, and drawn to fit the location as well as to afford a home that will be a pleasure to the occupants and a marked addition to the architecture of the neighborhood.

It will be one of the leading buildings of the Knollwood section, and a thing that will have an influence on the entire Sandhills.

### THIS IS ONE OF THE SIX OR EIGHT NEW BUILDINGS SCHEDULED FOR THE SUMMER AND FALL OF THIS YEAR

Plans for the other buildings are coming along as fast as architects can get the projects on paper, and it is figured that the new work on Knollwood Heights will total about the biggest figure in home making of any place in the Sandhills community.

### BUILDING AT KNOLLWOOD HAS NEVER LET UP

From the day the ground was turned for the beginning on Pine Needles Inn never a day has passed that work on new houses has not been in active progress.

That is the type of development that is moving at Knollwood Heights.
