GRASS SEED AT COST FOR ABERDEEN PLANTING

The Aberdeen Chamber of Commerce has ordered a quantity of Italian rye grass seed for distribution at cost to citizens desiring to improve the grounds around their homes. G. A. Charles of the Fox Drug Company has kindly consented to handle the distribution of the seed from his store, and it will be available there after the first of next week. It is hoped by the officers of the Chamber of Commerce that a large number will aid the city beautification program by purchasing the seed and planting it this fall.
