Twelve Hundred Members Sought by Red Cross in Annual Roll Call

Plans for Drive Starting Armistice Day Made at Enthusiastic Meeting in Pinebluff

At the call of the county chairman, Mrs. J. H. Suttentfield, fifty-five workers gathered at the Baptist Church in Pinebluff on Tuesday at noon and were guests of the ladies of Pinebluff at a delightful luncheon given in the interest of Red Cross work. Practically every town and village in the county was represented and most of the branch chairmen were present.

The county secretary, Mrs. R. P. Gibson of Pinebluff, called the roll and reports were heard from different chairmen. Enthusiastic accounts were given of work being done by the recently organized motor corps of which Mrs. Leonard Tufts is county chairman and Mrs. Paul Dava, assistant. Both of these ladies were present and made some remarks with reference to this phase of work. With the hearty co-operation of the Moore County Hospital, a great service is being rendered, especially in providing transportation for children to the county clinics and for needy cases requiring hospital treatment. Mrs. Suttentfield called attention to the fact that since we have no county nurse plans have to be made to look after cases which formerly came under her care.

Starts Armistice Day

The main object of this meeting was to perfect plans for the annual Red Cross Armistice Day, November 11th. The secretary reported the use of the several blanks and the use of the advertising matter distributed to the branch chairmen. The workers were urged to consider it a privilege to help in the great work the Red Cross is doing and to give everyone in the county an opportunity to contribute. The quota for the county is 1,200 memberships and with a population of around 28,000 it would seem an easy matter to go "over the top."

A rising vote of thanks was given for the generous hospitality of the Pinebluff ladies. Mrs. George Maurice will be hostess at the next meeting of the organization at her home in Eagle Springs. This will be held immediately after the close of the Roll Call and will be a regular business meeting, at which time officers for the ensuing year will be elected.

ANTI-AIRCRAFT GUNS TO BOOM HERE ON NOV. 19

69th Regiment, Coast Artillery Will Camp Over Night in Aberdeen

DEMONSTRATION, CONCERT

Aberdeen will be host to the 69th Regiment, Coast Artillery, an anti-aircraft regiment, on Wednesday, November 19th, and big plans for the entertainment of the officers and men are being made by a committee of citizens headed by Mayor Henry McCoy Blue. The entertainment, however, will work both ways, the regimental adjutant promising a concert by the regimental band and a reception to those residents of Aberdeen who desire to look over the huge guns, trucks, trailers, etc., which will spend the night on the local football field.

The anti-aircraft artillery regiment, moving by motor convoy, expects to arrive here the afternoon of the 19th, en route south, and encamp over night. It numbers about 350 officers and men. In writing to Mayor Blue the adjutant states:

"It is our plan to send an officer several hours in advance of the main party to make arrangements for a camp site. The requirements are chiefly, a firm ground for the parking of about 75 trucks, 17 trailers and 20 passenger cars; good drainage, and access to a potable water supply. Electric lights are not essential.

Demonstrate Guns

"In connection with this move of the 69th Coast Artillery, which is from Aberdeen Proving Ground, Md., to Fort McClellan, Alabama, I might say that we are equipped with some of the latest types of anti-aircraft armament. During our stay of one night in your vicinity we will be glad to render access to the camp to the general public and to give such demonstrations of 3-inch guns, machine guns and searchlights as time and weather permit. Our band will also be glad to give a concert that evening."

Mayor Blue has wired and written the adjutant of the desire of Aberdeen to entertain the regiment here and to avail the residents of the Sandhills of the opportunity to view the demonstrations, see the latest types of anti-aircraft equipment and enjoy the band concert. The mayor has appointed the following committee to arrange for the encampment and entertainment of the visitors:

Murdoch M. Johnson, Henry A. Page, Jr., Frank Shamburger, Dan I. McKeithen, Charles E. Bridges, J. Talbot Johnson, W. A. Blue, Jerry V. Healy and Nelson C. Hyde of Aberdeen; Harry M. Vale, Southern Pines; Lloyd Yost, Knollwood; Thomas A. Black, Pinehurst, and M. F. Butner, Burden.

Serious Auto Accident

Duke University Student Riding with Pinehurst Resident Killed Near Durham

Barrell G. White, Jr., of New York, who has been residing on his father's estate near Pinehurst this year while supervising the construction work and landscaping there, suffered injuries and a Duke University student with him was killed when White's automobile left the road on a turn between Chapel Hill and Durham last Saturday afternoon. A third young man, also a Duke student and brother of the boy who was killed, also suffered minor injuries.

White was bound for Durham in his Marmon car and was hailed by Harry and Hugh Curry for a ride. All three had attended the football game between Georgie Tech and the University of North Carolina at Chapel Hill. The car failed to take a curve and turned over several times. Harry Curry, a sophomore at Duke, was instantly killed and the other two sustained bodily bruises and cuts. They were rushed to the Duke hospital at Durham. A technical charge of manslaughter was lodged against White and bond fixed at \$1,000.

The Curry boys are from Point Pleasant, West Virginia.

Democratic Landslide in Nation, State and County in Tuesday's Elections

Guest at Pinehurst

Dwight Morrow, Senator-Elect from New Jersey, Arrives in Sandhills

Dwight Whitney Morrow, United States Senator-elect from New Jersey, former Ambassador to Mexico and prominently mentioned as Republican candidate for President if his party adopts a wet platform in 1932, arrived at Pinehurst this morning to spend several days resting up from the strenuous pre-election campaign. Mr. Morrow, who not only has been busy in his own behalf in New Jersey but has made several radio speeches over a nation-wide hook-up urging support for President Hoover in the retention of Republican control of Congress, looked well despite his campaigning.

Colonel Lindbergh's father-in-law occupied a tateroom in one of the two sections of the morning train from New York.

Mrs. Morrow spent some time in Southern Pines two winters ago, occupying the Ramsey house on Weymouth Heights while her son was recuperating from an illness. Mr. Morrow was unable to be here at that time owing to his ambassadorial duties in Mexico.

VASS MERCHANT FOUND DEAD ON PORCH OF HOME

Lisha A. Kimball Believed Victim of Heart Attack Monday Night

Lisha A. Kimball, forty-four years of age, died suddenly at his home in Vass some time during Monday night and it is supposed that his death resulted from heart disease from which he had suffered for a number of years. The body was discovered lying on the front porch by a passerby about six-thirty o'clock Tuesday morning.

Mr. Kimball, who was a widower, was a merchant and he and his sixteen-year-old son, Delmas, had their living quarters in the rear of the store building. Mr. Kimball was as usual in the store and the boy retired also. He was found by the passing of his father.

Funeral services were held at 11:00 o'clock Wednesday morning and interment was in St. Andrews cemetery near Lemon Springs. The body was laid to rest beside that of the wife who passed away fourteen years ago. Surviving are the son and the following sisters and brothers: Mrs. J. A. Wood, Moncure; Mrs. Ed Stone, Sanford; Mrs. Sim Phipps, Elizabeth City; Mrs. M. G. Caviness, Cannon, Georgia; Will Kimball, Sanford; John and Jim Kimball, Vass.

Delmas, who is a Vass-Lakeview High School student, is well liked by his fellow students and teachers, and much sympathy is felt for him in the passing of his father, who has filled the place of father and mother for him.

ABERDEEN HIGH LOSES ITS FIRST FOOTBALL GAME

Aberdeen High School lost its first football game of the season last Friday, being defeated by Candor High School on the local field by the score of 6 to 0. It was not only Aberdeen's initial defeat but the first time this year the team had been scored on.

Bailey Wins by Over 100,000, Lambeth by 8,000; Johnson New State Senator

COUNTY ALL DEMOCRATIC

The Democratic party of North Carolina atoned for its Republican defection of 1928 at the polls last Tuesday by practically a clean sweep throughout the state. It elected Josiah W. Bailey to the United States Senate by more than 100,000 majority over George M. Pritchard, Republican. It elected a full Democratic representation in the House of Representatives, defeating the two present Republican incumbents. It greatly increased the majority for its candidate for Congress in the Seventh district, of which Moore county is a part. It elected its State Senators and Assemblyman in this district, and returned a full county ticket. In only a few counties were any Republican candidates elected to office.

The local County Commission is Democratic by some 400 votes, after a heated campaign enlivened by a number of protest meetings over taxes and salaries held in various parts of the county. The newly elected commissioners are the veteran E. C. Matheson, of the present board; W. H. Currie and G. C. Shaw.

Murdoch M. Johnson of Aberdeen was elected State Senator by a majority of 800 votes, and Union L. Spence returns to the Legislature, defeating W. N. McDuffie by nearly 600 votes. Sheriff Charles J. McDonald carried the county over D. H. Lewis of Aberdeen by 685 votes. W. J. Harrington, present incumbent, led the county ticket in vote-getting, with 3,094, his opponent, C. L. Williams of Aberdeen polling 2,286. D. Carl Fry was re-elected coroner over J. Abner Thomas. Judge George H. Humber, Clerk of Superior Court, John Wilcox and Prosecuting Attorney M. G. Boyette of Recorder's Court were unopposed for reelection.

F. Donald Phillips of Rockingham was given a big vote over Henry Seawell of Carthage for Solicitor of the 13th Judicial district, winning by a majority of 658.

Lambeth and James

Colin G. Spencer of Carthage, Republican candidate for Congress from the Seventh Congressional district, was a victim of the Democratic landslide and lost to both his opponents, Hinton James of Laurinburg and J. Walter Lambeth of Thomasville by some 8,000 votes. James was the Democratic candidate for the unexpired term of the last W. C. Hammer, and Lambeth for the full term starting March 4th next. Spencer had plenty of company in his defeat for Congress, Republican candidates falling so thick and fast in all parts of the State that many were in jeopardy.

Despite the inclement weather a big vote was cast in the various precincts of Moore county. Very few of the registered voters in the Aberdeen precinct failed to cast their ballots. In Southern Pines 682 of the 950 registered voted. A heavy vote was cast in Pinehurst; not as high a percentage in Carthage. In the upper end of the county the rain and muddy roads kept many from the polls.

The full county vote for the local offices in which there was any real competition is shown in a table on page 1, section 2 of this issue.

C. W. PICQUET OFF FOR THEATRE OWNERS' MEETING

Charles W. Picquet, movie mogul of the Sandhills, head of the North Carolina Theatre Owners Association and vice president of the National Theatre Owners Association, leaves tomorrow for the annual convention of the latter organization at Philadelphia, Pa. Charlie's prominence and popularity in the national body is such that it would not be any surprise at all if he were elected president of the association at this meeting.
