

PACERS, TROTTERS OF NOTE TO RACE THANKSGIVING DAY

Harrimon, Callery and Other Famous Stables to Train at Pinehurst Track

FIRST MEETING THE 25TH

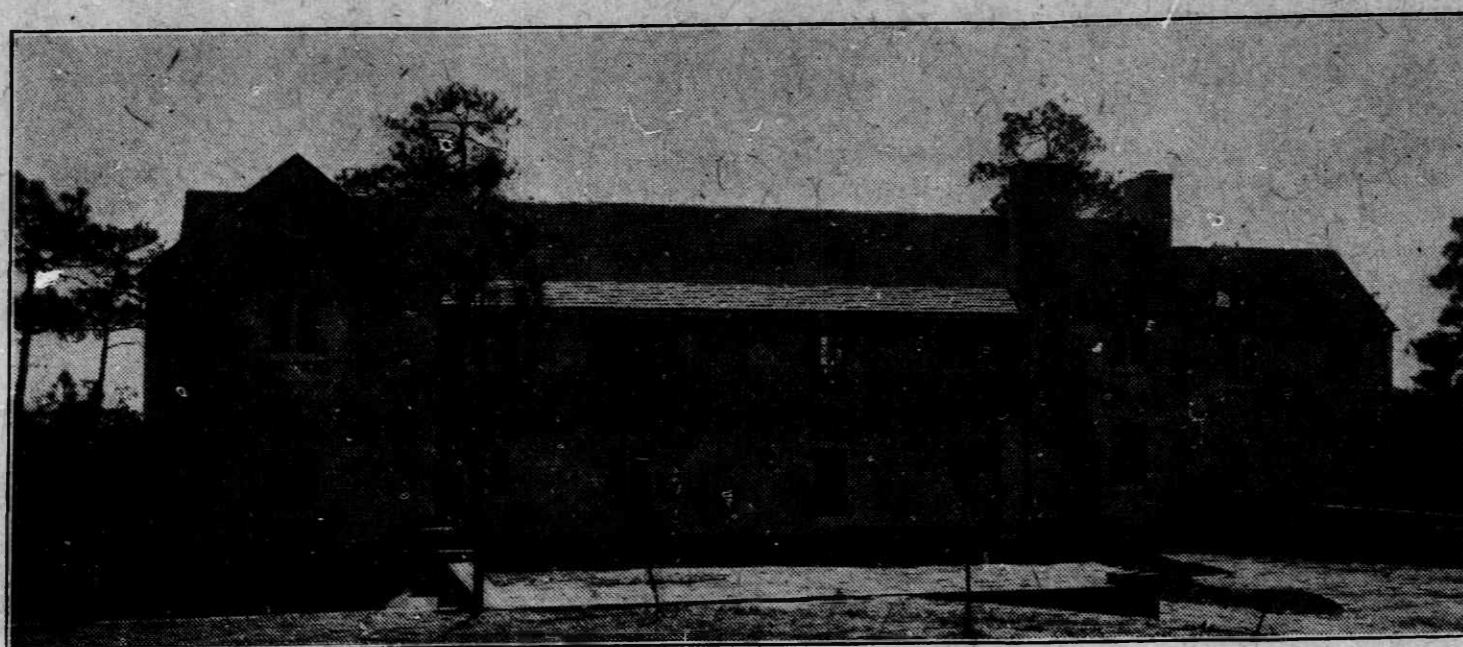

Following a strenuous season of horse racing over the Grand Circuit, Bay State, Orange County, Pennsylvania Fair, Carolina and other circuits of lesser importance, the winter racing season will open at Pinehurst on Thanksgiving Day with a program containing some of the horses which made history over the tracks mentioned, and it may be said that Pinehurst, Inc., will sponsor the only trotting and pacing meeting to take place anywhere in the country during the winter months. While a definite program has not been decided upon, following the holidays there will be weekly meets and possibly one between Thanksgiving and Christmas as well as on Christmas and New Year's.

Among the stables which will train at Pinehurst this winter, are Arden-Homestead of Goshen, N. Y., owned by E. Roland Harriman, consisting of thirty horses and colts, the Duquesne string, owned by Mr. J. D. Callery of Pittsburgh of a dozen or more, the Newbrook Stable of Newark, N. J., containing some twenty odd, most of which belong to H. Stacy Smith, and the public stable conducted by Herman Tyson, who has W. H. Watt, T. S. Wheeler and others as customers.

Both the half-mile and five-eighths mile tracks have been rebuilt under the personal supervision of J. S. Coates of Goshen, N. Y., and are about as near perfect as race tracks go.

The Thanksgiving Day program will contain the names of Happy the Great, 2.04 1-2, a successful starter at many of the prominent half mile rings as well as on the raging grand, his outstanding success being at Goshen where he won the big handicap race against some of the best trotters in training. The three-year-old filly, Laurel Leaf, 2.10 1-4, may also be seen in action and two or three other fast members of the Newbrook string. It will be recalled that Happy the Great and Laurel Leaf, driven by their owner, hold the world's record for a trotting team over a half-mile track of 2.10 1-4, made at the Gala Day meeting of The Road Horse Association of New Jersey, held at Newark on October 18th.
