Oakboro Contractor Low on Stretch from Aberdeen to Hoke County Line

The State Highway Commission opened 140 bids Tuesday on 21 road projects, on which the low bids totaled \$1,205,104.25. The prices were among the lowest received since the World War, according to State Highway Engineer John D. Waldorp.

The contracts will come before the highway commissioners at their monthly meeting here for disposal. All except three, in Martin, Tyrrell and Sampson counties, are federal aid projects.

Among the projects and low bids and bidders were:

No. 5660, Moore county, C. E. Hill and Son, of Oakboro, \$15,170.70 for 3.95 miles dirt road on route 241 from Aberdeen to the Hoke county line.

No. 4500, Lee county, R. B. Tyler, of Louisburg, Ky., \$7,975.90 for widening to 20 feet 1.19 miles hand-surface on route 50 from its intersection with route 75 toward the Chat-ham county line.

THE WEEK IN VASS

Birth Announcement

Friends are congratulating the Rev. and Mrs. C. A. Lawrence on the birth on December 8 of a fine baby girl whom they have named Evelyn Gorham, this being the maiden name of Mrs. Lawrence's mother. Master Lewis is delighted with his "baby sister."

New Minister Preaches

The Rev. W. C. Ball, new pastor of the Aberdeen-Vass charge, preached his first sermon at the Vass Methodist Church last Sunday morning and made a fine impression on the large congregation which was present to greet him.

Mr. Ball is a young man of pleasing personality and comes highly recommended. He has been preaching for eleven years. His wife and two small children have been with relatives in Asheville for some time on account of the illness of Mrs. Ball's mother and it is not known just when she will be able to join him in Aberdeen.

Young People's Choir

The community young people's choir, assisted by several small children, will give a musical program in the Vass Methodist Church at 7:00 o'clock next Sunday evening, December 14, and a special invitation to attend is extended to everyone in the community.

The program will consist of favorite hymns of the ages with interesting accounts of how they came to be written, and some special numbers. At the close of the service a free-will offering will be made for welfare work in China, where children are dying in startling numbers daily from famine and disease.

This is the first service to be conducted by the newly organized choir, and it is hoped that the older people will show that they are interested in the efforts of the young people by attending and taking part in the service.
