

John Harris Gets Sentences a Plenty

Proves Star Law Breaker in Busy Day in Judge Humber's Court

Monday was a busy day in Recorder's Court and Judge Humber handed out a road sentence to almost every offender.

The star law breaker was John Harris, colored, who was tried on four different charges. He was given 30 days for assault and battery, six months for assault with a razor, two years for possession of liquor for sale, and six months for carrying a pistol, making a total of three years and thirty days.

Minnie Byrd, for the larceny of a cap of the value of sixty-five cents was given sixty days in jail. The commissioners have permission to hire her out.

For violating the prohibition law Ed Williams was given four months and John McDonald two months.

Jud King pleaded guilty to driving a car while intoxicated and he was sentenced to four months on the roads and is not to drive a car again for two years.

Kelly Holton drew thirty days for public drunkenness, but this is to be stricken out if he pays the costs and a fine of \$10.00.

Leon Kelly will serve six months as a result of his having drawn a shot gun on another colored man.

Mike Brinn pleaded guilty to a larceny charge and was given four months on the roads.

Floyd Taylor, charged with driving recklessly and without a muffler, pleaded guilty. He received four months on the roads and is not to drive for two years.

Lonnie Ratliff, charged with the temporary larceny of a horse, pleaded guilty to stealing a horse and riding it at night. Judgment, two years.

F. L. Henrici, a foreigner who had difficulty in managing his automobile below Southern Pines Sunday night, was before the Court charged with reckless driving and assault with a deadly weapon. Prayer for judgment was continued upon the payment of the costs and all damages.

Herbert Worthy on a violation of the prohibition laws charge was given six months for possessing liquor and twelve months for transporting, the latter sentence to become effective at the will of the court at any time within two years.

Successful Roll Call Reported by County Chapter of Red Cross

Local Organization Had Full Year of Service to Community in Many Ways

The Moore County Chapter of the American Red Cross reports a very full year's work and a successful Roll Call.

Every demand from headquarters has been met, much has been done for World War Veterans in the County and the Moore County Hospital has found work in almost every Red Cross branch for the Motor Corps volunteers. Motor Corps service was started by Mrs. Leonard Tufts, of Pinehurst and for the past year she has been the efficient chairman of that work.

This year Mrs. Tufts could not see her way clear to do it, and Mrs. Fleming Popham of Pinehurst was unanimously elected in her place. Mrs. Popham has been in Red Cross work since the World War, and served many months overseas.

People of Moore county have learned the value of Red Cross and responded most generously to the Roll Call both for service and money. The county is large, towns and villages small and in some places far apart, so the work is not easy. Success of the Roll Call just ended is due to the

PRAISE FOR CHARLIE

We are a little late at it, but it might be remarked that the moving picture industry of the state is under continued capable and intelligent leadership in the person of C. W. Piquet, gained fame by reason of the extra fine movie entertainment he has provided for the Pinehurst Theatre. (From a Charlotte Observer Editorial)

branch chairmen and their faithful helpers.

At a meeting in Pinebluff on November 4th supplies were given out. A most delicious dinner was served by the Pinebluff branch of which Mrs. R. P. Gibson is chairman. The dinner and decorations were under the management of Martin James, an expert in his line. Everybody went home happy and on the 11th the big drive began and was all over at bed-time Thanksgiving day.

On December 3rd Mrs. George Maurice invited members to her lovely home near Eagle Springs, to count up returns and to have tea with her. The meeting was well attended and good reports were brought in. The hospitality of the Maurice home cannot be surpassed. At this meeting Miss Ellen Maurice was unanimously elected County Chairman of Red Cross to serve for the coming year. Miss Maurice is well equipped for her work, but she cannot do it without the support and cooperation of the county, and all are urged to stand by her in every possible way.
