#### Dr. Luther Little To Preach All **Next Week in Southern Pines**

#### Pastor of Largest Baptist Church in- North Carolina **Comes Here from Charlotte**

Dr. Luther Little, pastor of the First Baptist Church of Charlotte, will begin a series of meetings at the Baptist Church in Southern Pines which will continue nightly at 7:45 and in the morning at 11 o'clock, for the period of a week. Dr. Little has been for 13 years the head of the church in which he officiates at Charlotte, and which is the largest Baptist church in North Carolina. He is widely known through his frequent addresses to the whole people of the nation through the radio. This acquaintance has given rise to many calls on him to go to other communities for brief visits, which his church at Charlotte has permitted at times. The Rev. J. Fred Stimson, at the Baptist Church in Southern Pines, asked Dr. Little to make an appointment for Southern Pines, and next week was set as the date of his acceptance.

Those who have followed Dr. Little in his talks on the radio know that he is a man of pleasing speecn, of interesting discourse, and persuasive argument and statement. His plane of thought is high and dignified, his style simple and appealing, and his evening talks are always followed by a large audience. He is a man who is persuaded that the church has a work to do in this world, a work that is vital, but one that appeals to thinking people in its attractiveness and its wholesomeness, and he undertakes to make his case logical and one that the people can follow with serious purpose and appreciate. Everybody is welcome at every meeting.
