

McKINNEY BEGINS WORK
On NEW DEVELOPMENT

John McPherson of Southern Pines has started building on the McKinney purchase of 1,400 acres in Richmond county, just out of Hoffman. He is repairing some of the old buildings on the tract and beginning a five-room house which will serve as a temporary camp or house for resident caretaker, and care for the immediate needs of the development. The dam is also to be repaired and made available for storing the water that will make a lake, which is to be one of the features of the place.

Mr. McKinney has not yet reached a definite conclusion as to the future of his new possessions, but it is his plan to utilize it as a country place to which he can go as he feels inclined and enjoy the pleasures of rural life in this favored region.

The BEST Gray Hair Remedy is Home Made

To half pint of water add one ounce bay rum, a small box of Barbo Compound and one-fourth ounce of glycerine. Any druggist can put this up or you can mix it at home at very little cost. Apply to the hair twice a week until the desired shade is obtained. It will gradually darken streaked, faded or gray hair and make it soft and glossy. Barbo will not color the scalp, is not sticky or greasy and does not rub off.

SEABOARD

Aberdeen Social Events

Junior-Senior Banquet

The Annual Junior-Senior banquet was held in the New Community House on Thursday evening of last week, and a most delightful occasion it proved to be. A treasure hunt was the main feature on the program, and was greatly enjoyed. Several interesting contests and games were also enjoyed, after which the young people spent an hour of dancing. The Senior Class this year is composed of 26 members, the largest in the history of the school.

Raise Nearly \$300

In the Community House canvas put on by the Ways and Means committee of the Association last week \$217.35 was raised in a couple of days, with promises and pledges of at least \$50.00 more, which is very encouraging to the association. This committee plans to give a musicale in the near future, and other plans are under way to raise funds with which to complete the payment of the indebtedness now due on the building. Gifts to the association of furniture, dishes and other articles have been most thankfully received and appreciated. Any one wishing to help the association in any way should get in touch with Mrs. W. A. Blue or G. C. Seymour.
