The last Thistle Club luncheon for this season was given Wednesday at the Southern Pines Country Club, with about fifty members and their guests present.

The club picnic, which will be held the latter part of this month or early in May, was discussed informally. Definite plans will be made soon and members notified.

The annual meeting of the club will be held on the day of the picnic when the officers and committees for next year will be elected and appointed.

### "Well Dressed Bums"

#### Mr. and Mrs. Tufts Entertain Tennis Players at "Poverty Stricken Party"

Mr. and Mrs. Richard Tufts entertained at a dinner-dance at the Pinehurst Country Club on Wednesday night in compliment to those participating in the annual North & South Tennis Tournament, in progress this week on the Pinehurst courts. The party was a great success, and brought forth numerous "hard times" costumes in compliance with the invitations, which read:

**A Poverty Stricken Party**  
"Of course here at Pinehurst we always try to be up to date in every way and since it is "au fait" these days to be poverty stricken, we do hereby declare that this year's tennis dinner will be a poverty stricken party! Not but what poverty will be maintained within reasonable limits and guests may expect the customary high quality of good fun, good music and good food, enjoyed on previous occasions. The idea is, that like beauty which is only skin deep, we shall expect the guests to confine their poverty to the surface and appear outwardly garbed in whatever symbol of destitute circumstances they may select. Guests desiring to make a vulgar display of their affluence will still be accepted in evening clothes but we hope that the majority will acknowledge the decree and appear properly outfitted in "what the well dressed bum will wear."

### Van Ryn and Sutter in Tennis Finals

#### Former Defeats Frank Shields and Latter Bryan Grant in Semi-Finals

John VanRyn of East Orange, N. J., and Clifford Sutter of New Orleans are the finalists in the men's singles of the annual North & South tennis tournament, in progress this week at the Pinehurst Country Club. In the semi-finals VanRyn defeated Frank Shields of New York in a hard five-set match, 3-6, 4-6, 6-1, 6-1, 6-3, while Sutter ran away with Bryan Grant of Atlanta, University of North Carolina star, to the tune of 6-1, 6-0, 6-1. Shields and VanRyn are favorites to win the doubles. The final rounds will be played today and tomorrow.

### Sales of Pinehurst Property Significant

#### Emphasize the Favor in Which Homes Here Are Held by Visitors

Two significant sales in Pinehurst emphasize the favor in which homes in this interesting community are held by visitors. The Gateside cottage has been conveyed by Mrs. Ethel M. Saunders to W. Allen Taft of Arlington, Mass. Mr. and Mrs. Taft will occupy the cottage until late in the season. Mr. Taft's father, W. H. Taft, of the Export Lumber Company of Boston, was one of the first buyers of a building lot when the section west of the Carolina was put on the market, so the younger members of the name are not strangers to Pinehurst. In addition to finding much pleasure on the golf courses, Mr. Taft is interested in hunting and will probably spend much time in the field during the open season.

Fred A. Powdrell of Chicago, vice-president and treasurer of Montgomery Ward Company, has signed papers to complete the purchase from the estate of W. L. Glatfelter, Mr. Glatfelter's former residence, the "Green Dial", on Magnolia Road, directly in front of the Carolina property adjoining the home of George T. Dunlap. Mr. Powdrell will make in Pinehurst a home for his young family, and his selection is looked on as a valuable evidence of the virtues of this section as a winter location.
