Chipso has become the largest-selling package soap in America because women everywhere know it is a marvelous soap—rich, quick-working and safe!

Now we've pledged ourselves to extend Chipso's efficient care to all the clothes you send us. They go through several fresh foam-baths made from soft water to which has been added a special Chipso prepared for laundry use. No rubbing—no handling—your clothes are gently swished clean!

And we haven't raised our rates! If you send us a trial bundle this week, you'll discover how little it costs to escape the burden of washday.
