A REMINDER by your Fertilizer Dealer

No. 7

in a Series appearing in this newspaper

YOU know the fine crops many farmers around here get year after year with Chilean Nitrate of Soda. They side dress with Chilean and it pays them well. This year with Chilean selling at the lowest price in years, there's no sense in thinking you can economize with unproved fertilizers. Use plenty of Chilean and you'll get a good profitable crop.

Your Fertilizer Dealer

AND when you order, be sure to specify a "Chilean". It contains rare elements in addition to Nitrogen that make it the super-nitrate. It is Nitrogen PLUS, for it contains iodine, boron, magnesium, plant foods in themselves. Remember that Chilean is the proved fertilizer. Side dress your crops with it. At the new low price and in the new 100 lb. bag, it is a better buy than ever before. Remember the two kinds—Original Chilean (Crystalline) and Champion Brand (Granulated) both natural nitrate.
