

**PINEHURST AYRSHIRES  
AMONG HIGH PRODUCERS**

Testing under the Ayrshire Herd Test plan, the ninety-four Ayrshires owned by Pinehurst Farm, Pinehurst, during March, secured the high production average of 708 pounds of 4.02% milk, 28.47 pounds of butterfat. Every cow in the herd that had once freshened was included in computing this average, regardless of age or stage of lactation, reports Advance Registry Superintendent W. A. Kyle of the National Ayrshire Breeders' Association.

Individual honors in the herd for production were won by M. C. C. Cinderella, a six year old, which cow produced 1,695 pounds of milk, 69.50 pounds of butterfat; Lady White of Pinehurst, a five-year old, which produced 1,738 pounds milk, 68.82 pounds of butterfat; Pinehurst Favorite Queen, a seven-year old which produced 1,420 pounds milk, 64.04 pounds of butterfat; Tootsy Mitchell Favorite, a twelve year old, which produced 1,694 pounds milk, 63.69 pounds of butterfat; Faustina's Good Luck a thirteen-year old, which produced 1,563 pounds of milk, 61.11 pounds of butterfat.

**FINE PERFORMANCE CLOSES  
PINEBLUFF SCHOOL YEAR**

The school year, insofar as the residents of Pinebluff are concerned, reached its climax Wednesday night with the closing exercises of the graded school which were held in the assembly hall.

The two grades which use the old Pinebluff school building have been under the teaching care of Mrs. Fred Monroe and the excellence of the performance Wednesday night gave testimony to the really remarkable work which she has done in the past two years, even though hampered by poor facilities.

The main performance of the evening was the rendition of a children's play which centered around the "Story of the Wishing Well" and the work of the good fairies.

Every child taking part is deserving of a commendation for the way in which he or she played the parts and recited. The enunciation was perfect and each child could be clearly understood in every part of the crowded hall. It goes without saying that both parents and children love the teacher and hope for her return another year.

**At Southern Pines**

Convinced that the sparkling personality displayed by Clara Bow in her long screen career as America's favorite flapper had deprived the motion picture public of the deeper talents of that popular actress, Paramount executives have planned a series of emotional roles for the red-headed actress. Her first dramatic part in "Kick In," hailed as a new revelation of Bow talents, marks her debut in serious drama. "Kick In" which is the attraction at the Southern Pines Theatre this Thursday, Friday and Saturday, was adapted for the talking screen from the famous Willard Mack stage success of the same name. In it, the "It" girl has an exacting role which tests her capacity for emotional portrayal to an unusual degree. In love with an ex-convict hounded by the police, Miss Bow is called upon to portray a character whose feelings range over the emotional spectrum with lightning-like rapidity. The supporting cast as well as the story of "Kick In" was selected with great care to give Miss Bow every possible advantage in her first dramatic part. Regis Toomey, recently seen in George Bancroft's "Scandal Sheet," has the leading male role, a role which, for the first time on the talking screen, gives him a chance to match his superb performance in "Alibi," his first sensational success. Wynne Gibson, recently seen with William Powell in "Man Of The World," Leslie Fenton, Donald Crisp and Paul Hurst are also in the cast.

A very amusing comedy along domestic lines is "Six Cylinder Love" from the famous stage play by William Anthony McGuire, which is the attraction at the Southern Pines Theatre Monday, Tuesday and Wednesday. Thoroughly modern in every line, from the 16-cylinder car which proves the financial downfall of the newlyweds to the bootlegger who carries his samples on the corks in his pocket, the production is smart and snappy with a general appeal. The story deals with an exceptionally devoted young couple who fail to heed the warning of the neighbor from whom they purchase a high-powered car, thereby acquiring the former owner's leech-like friends, as well. A new "screen find" makes her first appearance in "Six Cylinder

Love," in the person of Sidney Fox, from the Broadway Stage, who seems destined to become a popular favorite in a very short time. Miss Fox is surrounded by an unusually clever supporting cast, including Edward Everett Horton, Una Merkel, (of "Don't Bet On Women" fame), William Collier, Sr., El Brendel, Bert

Roach and Spencer Tracy. "Six Cylinder Love" may be highly recommended at any time as a good blues cure.

The Aberdeen High School Tennis team, Ralph Leach and Bill Bowman, will play Salisbury at Salisbury today, Friday, and Lexington at Lexington tomorrow.
