Automobiles

It's Vacation Time again. The average automobile owner uses his car more during the next four months than during the other eight months of the year put together, thus the highways and byways are more than ever congested with traffic and the need for ample and genuine Automobile Insurance that insures peace of mind and security to worldly possessions as well is greater.

The partial payment of premiums for automobile insurance is an added convenience if the entire amount cannot be paid at delivery of policy.

MRS. HAFER'S PUPILS IN PIANO RECITAL

The 10th annual piano recital given by Mrs. Claud Hafer's class on Saturday afternoon at the Civic Club in Southern Pines was a delightful repetition of former successes by her well trained pupils. Not only did they demonstrate to an enthusiastic audience their ability to play in good time, but the shading and careful phrasing of even the youngest child gave evidence of Mrs. Hafer's thorough drilling in the simplest as well as the advanced work of the older students.

After an opening number by the Toy Orchestra, the following took part on the splendid program: Catherine Prizer, Sue Ann Milliken, Bernard Leavitt, Jr., Jane and Winifred Kelley, Eleanor Grover, Edward Prizer, Isabel Pelton, Helena Kelley, Eleanor Eddy, Ruth Thompson, Charles Everest, Ruth Cameron, Barbara Pierce, Helen Thompson and Jane Grant Moun.
