News Notes of Aberdeen People

Bridge Club Meets

Miss Annie Belle Thompson was a
delightful hostess to her Bridge Club
when she entertained on last Thurs-
day night at her home in Aberdeen
at two tables of bridge. At this meet-
ing Miss Mildred Campbell was wel-
comed into the club as a new mem-
ber.

After an interesting hour of the
game it was found that Miss Edna
Maurer had won high score. An en-
joyable social hour followed.

Benefit Bridge

The benefit bridge party given at
the New Community House in Aber-
deen Tuesday night proved a most en-
joyable occasion, and was well at-
tended. The attractive living room
was beautifully decorated with roses
and other flowers, and the guests
were seated at ten tables. At the close
of an entertaining evening the first
prize was given to Miss Josephine
Adams, a boudoir lamp donated by the
Pinchurst Warehouses. The associa-
tion wishes to thank the merchants
and business men of Aberdeen also
for the generous help given in the
donation of other prizes. The amount
of \$24.50 was realized from the pro-
ceeds of this party, which will go to-
wards making the Community House
more attractive.

Bible School Exercises

The Commencement exercises of the
Daily Vacation Bible School, held at
the Aberdeen Presbyterian Church
last Friday, were most enjoyable,
and showed that the children had re-
ceived excellent training in the two
weeks this school was in session. Af-
ter the exercises a delightful picnic
dinner was enjoyed on the church
lawn.

Averys Have Son

Mr. and Mrs. L. T. Avery are re-
ceiving congratulations on the arrival
of a son, on June 2nd, 1931.

**MYERS Water
Self-Oiling System**

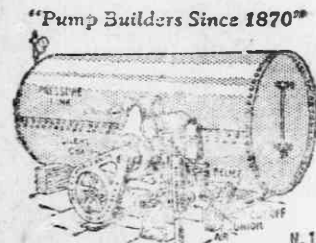

YOUR livestock and poultry appre-
ciate plenty of pure, fresh, clean
water as thoroughly as you do.

They can't vote for a MYERS
Water System in words; but they
will do something more impor-
tant than that—they will quickly
pay for it in added profits. Install
one of these reliable systems.
Pipe the water to pens, barns
and feed lots just as you pipe
it to your own kitchen, bath room and
laundry—and watch the results!

Extra milk in the pail, extra eggs in the nest, extra
pounds on the scale, extra pull in the collar—all
flow out of the tap that provides your livestock with
plenty of water—the most important and the cheapest
ration you can supply.

Myers Water Systems
are made in all capacities; for deep or shallow wells;
for operation by electricity, gasoline engine, wind-
mill or hand power. The gasoline powered systems
are convertible to electricity at any time.

**Five Deaths from Heat
in Boston Last Week**

That's what the papers tell you.

But in the Sandhills no one has suspected that the
weather has a dangerous tendency.

In the Sandhills deaths from extreme heat are not
known.

Yet a few folks think summer in Moore county is
uncomfortable and that it is necessary to go North to
be cool.

The truth is that the best place in the world, sum-
mer and winter, taking the year round, is Weymouth
Heights, here on the top of the summit between the Cape
Fear and the Yadkin rivers, in the pine forests, in the
breezes, in the mild sunshine, in the soft, dry air of the
sandy hills.

More folks realize this fact all the time, which is
why the summer population of Weymouth steadily
grows.
