

**DR. MILHAM JOINS  
DR. DICKIE AT PINE CREST**

Announcement has been made by Dr. J. W. Dickie, physician in charge of Pine Crest Manor at Southern Pines, of his appointment of Dr. C. G. Milham, formerly a member of the N. C. Sanatorium medical staff and now assistant physician at the Guilford County Sanatorium, Jamestown, as assistant physician at the Southern Pines Institution.

While at the State Sanatorium Dr. Milham made many friends among patients and others and was active in the work of the Hoke County Medical Society, addressing the group on one or two occasions on various children's diseases and their relation to childhood tuberculosis. He is a member of the Guilford County Medical Society and of the Medical Arts Club of Greensboro, which he joined soon after taking over his duties at the County Sanatorium.

Mrs. Ora Jackson of Mt. Airy and Miss Pearl Jackson of Greensboro are guests in the home of Mr. and Mrs. H. W. Doub this week.

**Farmers in County Report Good  
Results With Year's Wheat Crop**

**B. F. Powers, W. C. Garner, Fuller Monroe, J. R. Page and L. A. Kelly Have Fine Yields**

By E. H. Garrison  
County Agent

Results from small grain demonstrations checked so far reveal the fact that Moore county's small grain crop this year is a bumper one. B. F. Powers near High Falls, threshed 88 1-2 bushels of wheat from two acres of land last Thursday. After this wheat had been measured up a group of these men decided that they would weigh some of the grain to see how measure and weight compared. They weighed three bushels of the grain, finding that two of the measured bushels weighed sixty-eight pounds each and that the third one weighed sixty-nine pounds. Had all the wheat been weighed instead of measured from the thresher it would have been a little over ninety-nine bushels instead of eighty-eight and one half. So far as I know, this is a record for this county and perhaps one that not many of the other North Carolina counties can excel. This piece of land had been limed and followed with lespezeza. I am sorry that a good many of the others in that section had not threshed as there are many more good ones to be reported yet.

W. C. Garner, near Acorn Ridge School house, threshed 254 bushels of barley from 6 acres of land. This piece of land had been in lespezeza but was followed with corn last year. Owing to the fact that he did not get any stand of corn, he did not make such a record yield of corn but the barley has told the story this year. Mr. Garner has all his grain land in a good crop of lespezeza now and says that he is sold on this legume as a cover crop, along with some form of nitrate for a top dresser. Mr. Garner was a pioneer in this work, he having bought the first seed pan in the county to harvest seed and so far as I have any record he bought the first bag of lespezeza seed ever shipped into Moore county.

**Increases Yield**

Fuller Monroe, near Eagle Springs, was threshing his wheat when I was there last Tuesday. Two years ago, he reports, from a field of four acres of land he threshed 32 bushels of

**Pinehurst 2-Up**

**Their Names Are "Jim" Vail and "Bill" Sledge and They Just Arrived**

Pinehurst's population has increased by two stalwart sons since a week ago. The Kiwanis Club has two prospective new members, the Sandhills two potential golf champions. To get down to brass tacks, Mr. and Mrs. Herbert Vail and Mr. and Mrs. I. C. Sledge are the proud parents of sons, James H. Vail was born last Friday, July 17th, and William Cyrus Sledge arrived Sunday the 19th. All concerned are doing well.

wheat. Last year with 200 pounds of 10-0-2 per acre he made twenty bushels on the four acres. This year from three acres of this land which had been in lespezeza one year, and with the application of 70 pounds of nitrate of soda per acre he got 55 1-2 bushels of wheat or 18 1-2 bushels per acre. This is a little more than twice the county average. Mr. Monroe says that lespezeza did it.

Jesse Page of Eagle Springs made 196 bushels of wheat on 14 acres of land. This is twice the county average and on rather thin sandy land at that. There are many people who insist that wheat will not grow on sandy soil, but Mr. Page has proven that it can be done. We all admit that it does not do as well as on some of our typical grain land, but still I think it is a worthwhile undertaking. From his grain crop of 280 acres, all but about 20 acres of this is in a cover crop of some kind, most of which will go back to the land for soil improvement. Mr. Page is a firm believer in this type of work and also takes a great interest in passing along to his neighbors any information which he has been able to gather in his farming operations. He was one of the first to advocate home gardens and the use of more home grown products on the farms of Moore county.

Sheriff L. A. Kelly reports sowing 2 3-4 bushels of wheat and threshing 33 1-4 bushels. Sheriff Kelly is a great believer in soil building and each year plants a good acreage in soy beans, vetch, etc. He has shown with this farm what can be done in the way of soil improvement and has demonstrated the fact that it does not pay to farm poor land.

**LAKEVIEW**

An event of much interest in this section was the reunion of Clan Blue held in Lakeview on Sunday, with a sumptuous picnic dinner in the pine grove. Members and branches of this family came from far and wide to attend this annually recurring event of much value in welding together a family and its traditions in an age when family spirit is so easily lost in the mad rush of this speed-crazed age. The principal address of the occasion was made by Dr. A. C. Bethune of Raeford in which he traced the ancestors of the Blue family from long before they left Scotland down to the present time. There was also a short talk by John R. McQueen.

Friends of Frank Coore, who was painfully injured when he lost control of his truck near Cameron Sunday morning, will be glad to know that he is getting along as well as could be expected. He was carried to the Moore County Hospital at Pinehurst where the X-ray showed no bones were broken.

Mrs. W. H. Coffey, Mrs. John R. McQueen and Mrs. R. A. Holland were luncheon guests of Mrs. Raymond Johnson at her home in Pinehurst Wednesday.

Mr. and Mrs. William B. Warner spent the week-end with friends in Whiteville.

Mrs. Robert T. Woodruff and son, Robert, Jr., left Thursday via motor for a two weeks' visit in New York state.

Misses Alice Littlefield and Helene Dougherty went to Fayetteville Friday where they spent the day with Mrs. Claude W. Spears.

Mrs. H. C. Trexler and daughter, Miss Miriam have returned to their home in Summerset, Kentucky, after a visit to their people here.

Mrs. Florence Gillis and daughter, Miss Myrtle, of Greensboro are here for a visit with Mrs. W. H. Richardson and Mrs. A. C. Cox.

Mr. and Mrs. Richard Wynne, Miss Margaret Wynne and Misses Jessie and Vann Neese of Greensboro spent Sunday in town.

Guests of Mr. and Mrs. W. C. Smith over the week-end included Mr. and Mrs. F. A. Osteen and children from Sumter, S. C., Mrs. James Boyle and

Mrs. Jack Brinegar and daughters, Edith and Doris, from Durham, and Miss Johnnie Cameron and Leonard Gill of Rockingham.

Mrs. Claude Spears and children, Carolyn and Eugenia of Fayetteville are the house guests of Miss Helene Dougherty this week. Other guests of Miss Dougherty include Mrs. Milton McCrossan of Rocky Mount and her cousin, Brother Gratian of St. Mary's College, Moraga Valley, Calif.

Claude Avent of Jonesboro and a crowd of Sunday School boys pitched camp Monday for a week of sport in Lakeview.

Mrs. J. T. Davenport and Miss Orene Krankhe of Sanford were Lakeview visitors Tuesday.

Luncheon guests of Mrs. Arthur Newcomb Tuesday were Mrs. H. B. Hudson, Mrs. E. C. Bliss of Pinehurst and Mrs. Robert Woodruff and Robert Jr., of Lakeview.

Mr. and Mrs. Oliver Taylor and Mr. and Mrs. Frank Bland of Winston-Salem and Mrs. Leonard Huggins of Norman, Oklahoma, were guests Sunday of Mr. and Mrs. Dan S. Ray.

The members of Class No. 4 of the Lakeview Sunday School enjoyed an ice cream social at the home of their teacher, O. D. Causey, Monday evening.

R. A. Holland of Winston-Salem spent the week-end in town with his family.

Mr. and Mrs. John Flemm and chil-

dren and H. H. Rickenbrode, who have been the guests of Mr. and Mrs. Harry Flemm for two weeks, left Wednesday for their respective homes, New Kensington and Pittsburgh, Pa.

Henry Holland was the dinner guest of Dannie Ray Sunday. The occasion being Dannie's fifth birthday.

The Sanford Rotary Club were hosts to a large number of their boy friends Tuesday afternoon, when

they brought the youngsters down for a swim and picnic supper.

**CARD OF THANKS**

We wish to gratefully acknowledge our thanks to all our friends and neighbors who, through their kindness, aided in relieving our distress caused through loss by fire.

—JOSEPH D. PEELE,  
and Family.

**VACATIONS:**

Are more complete and carefree if the hazards of travel by Automobile, Train, etc., and those that come of participation in sports are insured against. We suggest

- Automobile
  - Personal Accident
  - Personal Effects
  - Sports Liability
- insurance as those most essential.

May we serve you.

**MID-SOUTH INSURANCE AGENCY**

L. L. Gardner, Manager  
Pinehurst, N. C.

**You'll call Pontiac the happy medium . . . quality you won't do without, at a cost you can easily pay\***

It isn't difficult to learn what most people want in a motor car. We all want pretty much the same fine qualities—and we want them at a moderate price.

You will find this combination in the Pontiac—that fine General Motors car. Thus, if it's a damp day when you first drive a Pontiac you will notice how snug and dry it is inside. The same with heat, cold and traffic noise—because Pontiac's fine Fisher bodies are tightly insulated.

Appreciating the comfortable seats, you will remark also the absence of road shocks. This is due to hydraulic shock absorbers and rubber cushioning at 43 points in the chassis.

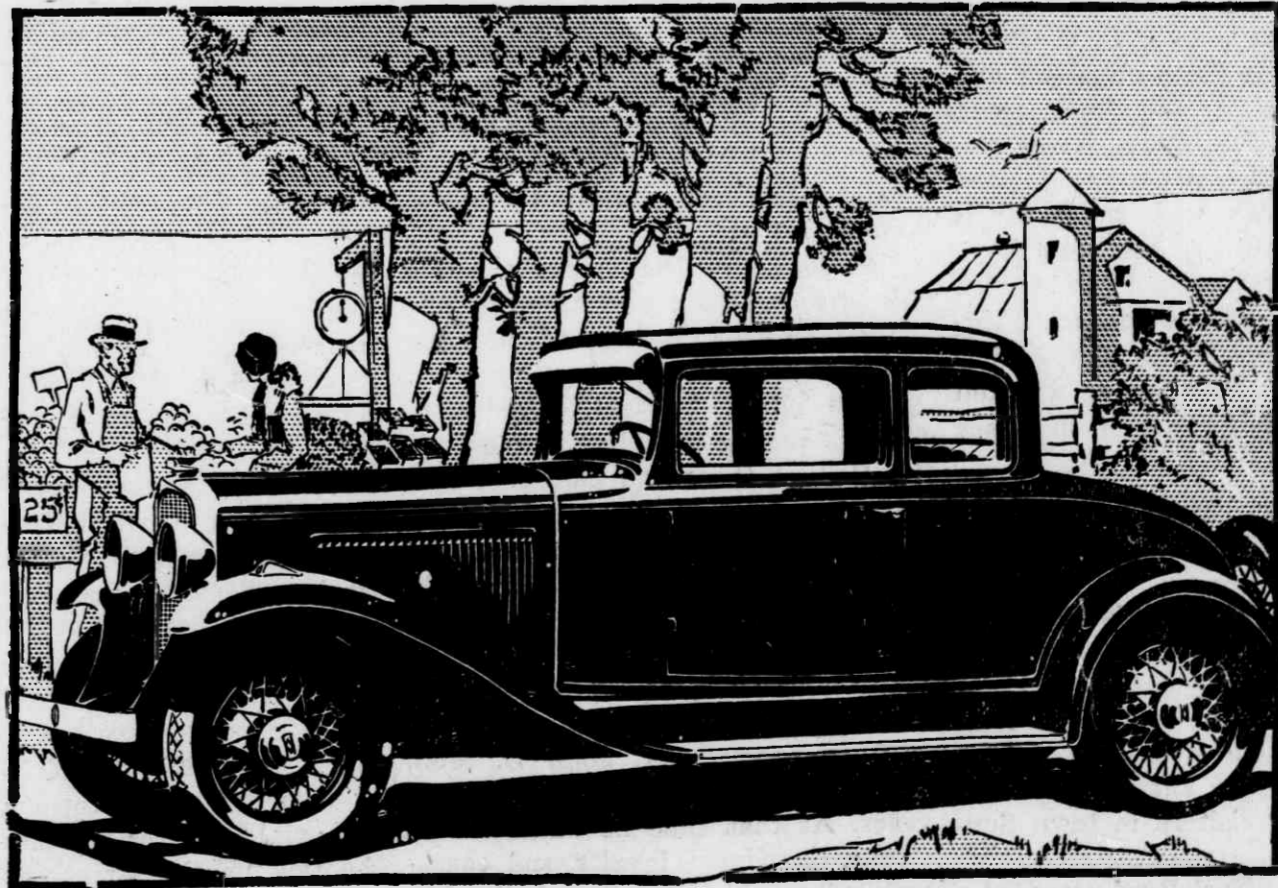

When you first step inside the Pontiac you will see something unusual—genuine mohair or whipcord

upholstery in the closed cars; fine leathers in open models.

Even though you feel that most cars have satisfactory engines, you will be surprised at the smoothness with which Pontiac's engine does its work. As you drive you will admire the quick pick-up and power of that big, easy-working motor.

Good looks? Smartness? We can leave the proof to remarks you will hear and the approving glances you will see! (Bodies by Fisher.)

Possibly we are prejudiced—yet owners praise this car more than we would dare to. The values they have discovered will be clear to you once you have driven the Pontiac. Why not do that! Any Oakland-Pontiac dealer will arrange a demonstration.

**PONTIAC \$798\***  
MAKING NEW FRIENDS AND KEEPING THE OLD DELIVERED

Two-door Sedan or Coupe, equipped and delivered in Aberdeen, \$798.00. Sport Coupe, \$838.00. Four-door Sedan or Convertible Coupe, \$868.00. Custom Sedan, \$908.00. All cars equipped with front and rear bumpers, shock absorbers, five wire wheels and extra tire, tube and tire lock.

Also a la carte service

**Weymouth Heights**

Southern Pines, N. C.

During the sweltering heat of the whole country it has been a satisfaction that the Sandhills section has at no time been uncomfortable. The thermometer has at times been almost as high as in some of the Northern states, but the dry air in the sandy belt has offset the absolute temperature.

On the pronounced heights like Weymouth the gently moving dry air neutralizes the temperature, and the forest-covered summits shade the landscape. The middle of summer is not objectionable in the Sandhills while the winter, fall and spring are incomparable.

Probably no place on earth is more desirable the year through for a home location than the Weymouth hills of Southern Pines.
