**Plan Flower Show**  
Mrs. J. D. McLean was a charming hostess to the Home and Garden Club when it met at her home on Main street last Tuesday afternoon. Plans were made for the coming Flower Show which will be held jointly with the reception this club will give the teachers on Tuesday afternoon at the Community House. Interesting papers were read by Mrs. J. F. Deaton and Mrs. James Foy on "Lawn Making" and "Box Plants for the Winter." In the flower contest Mrs. Malcolm Pleasants was again awarded the silver vase given by the club as the prize for the most artistically arranged vase of flowers brought to the meeting, and which were lovely colorful gladiolus.

The special invited guests were Mrs. H. E. Bowman, Mrs. G. C. Seymour and Mrs. Dan McKeithen.

**Mrs. Pleasants Hostess**  
Honoring her cousin and guest, Miss Louise Huntsburger of Marshall, Texas, Mrs. Francis Pleasants delightfully entertained a number of her friends at two tables of bridge on last Friday night at her home on Bethesda Road.

**Faculty Honored**  
As an expression of welcome to the Aberdeen faculty the members of the Home and Garden Club entertained at a most enjoyable reception at the Community House on Tuesday afternoon from 5 to 6, making the teachers feel at home and giving everyone present a good time. An interesting program had been arranged and Mrs. Reid A. Page sang several vocal solos in her usual charming manner, with Mrs. Dan I. McKeithen presiding at the piano. This was followed by two readings from John Charles McNeill's poems by Mrs. Rosser Jones. A most interesting feature of the program was the announcement of prizes won by members of the Home and Garden club for the prettiest flower gardens of the summer. Mrs. Stewart Weaver received as first prize a pedestal bird bath, while the second prize, shrubbery given by the Dwight Nursery of Lakeview, was given to Mrs. J. F. Deaton. Honorary mention was made of the lovely vases of flowers brought in by members of the club for this occasion, Mrs. W. D. Caviness, Mrs. A. A. McKeithen, Mrs. A. F. Yates and others receiving ribbons.

A delightful social hour followed the program during which delicious refreshments were served.

"Why  
My Next Car  
will be  
A FORD"

WHEN you buy a Ford there are two things you never have to worry about. One is reliability. The other is long life. Here's an interesting letter from a Ford owner in North Carolina:  
"My Ford was purchased May 8, 1923, and has been run 121,767 miles. It has never stopped on the road for repairs of any kind whatsoever except punctures.  
"The brakes were relined at 101,000 miles. My gas mileage averaged 21 miles to the gallon, and on tires, 19,000 miles per tire. I travel over all kinds of road conditions—mountainous and flat.  
"I consider this a wonderful record and I assure you my next car will also be a Ford."  
This is just one of many tributes to the reliability and long life of the Ford. A Ford owner in Iowa tells of driving his Ford 73,000 miles in a single year. Another writes of 120,000 miles of good service.  
Think ahead when you are considering the purchase of an automobile and consider what it will be like after thousands of miles of driving. Will you still be satisfied? Will you still say "it's a great car?"  
If it's a Ford, you know everything will be O. K. It will be taking you there and back in good style, just as it has always done. And you will have saved many important, worth-while dollars in cost of operation and up-keep and low yearly depreciation.
