### ANNUAL HARVEST BALL ANNOUNCED FOR OCT. 30

Depression or no depression, there's going to be a Harvest Ball. This has become such a fixture in the Sandhills that no winter season could be successfully inaugurated without it, and Charlie Picquet and Jerry Healy announce the big event for Friday night, October 30th. They have signed up Jelly Leftwich and his music-mad mirth makers from Duke to provide the tantalizing terpsichorean strains, and they're sent out goblinistic invitations which nobody with a few dollars left in the bankroll can resist accepting. And they've announced that all proceeds over and above expenses shall go toward unemployment relief.

The ball will be held, as usual, at the Pinehurst Country Club, and will start early and end late, or vice versa according to your own way of interpreting 10 to 2. Begin now to save five smackers for the grand ball.
