

Win Summer Golf Honors

L. L. Gardner Presents Summer Golf Club Championship Trophy to Dr. H. E. Bowman. Left to right: Dr. Bowman, Mr. Gardner and I. C. Sledge, runner-up in Tournament.

Dr. Bowman Wins Championship of Summer Golf Club at Pinehurst

With Dr. H. E. Bowman of Aberdeen crowned champion after the 72-hole title competition, the Summer Golf Club wound up a most successful season at the Pinehurst Country Club last week-end. Turning in a final round of net 74, Dr. Bowman took the trophy and title with 284, made up as follows: 75-63-72-74. I. C. Sledge of Pinehurst was second with cards of 74-79-69-71 for a total net of 293.

The event was on a handicap basis, and was featured by the consistent showing of the leaders. The summer Golf Club's first season was considered a great success. Regular weekly events were held throughout the warm period, large numbers of the Sandhills' year-round golfers competed and real good-natured rivalry developed as the season progressed. The matches were played over the No. 1 course, which was open all summer. The famous No. 2 championship course was opened last week, in time for the tournament on Wednesday of this week of the Kiwanis clubs of the two Carolinas.

Other scores in the championship

rounds of the Summer Golf Club were as follows:

Frank L. Dupont	75	76	74	79	—296
Frank McCaskill	74	79	70	80	—301
Jerry Ashton	72	78	65	88	—303
H. D. Vail	81	73	76	76	—306
Russell Kelly	72	78	79	79	—308
J. F. Taylor	82	75	83	77	—317
O. H. Stutts	84	92	84	83	—343

CONCERT SEASON OPENS AT FLORA MacDONALD

The concert season at Flora Macdonald College will open on Saturday night, October 24th, with the appearance of Lamar Stringfield, flutist, who will give a recital in the auditorium at 8:15 o'clock, assisted by Adeline McCall, pianist. Mr. Stringfield is Research Associate in the Institute of Folk Music at the University of North Carolina, and conductor of the University Symphony Orchestra. He is rapidly coming to the front as a composer and plays delightfully on the flute. The program includes two numbers by Charles Vardell, Jr., written expressly for the flute.

Sworn to and subscribed before me this the 16th day of October, 1931.

FRANCIS PLEASANTS, Notary Public.
 ROBERT N. PAGE, President.
 RALPH W. PAGE, Director.
 H. A. PAGE, JR., Director.

My commission expires February 1, 1932.

THE WEEK IN VASS

A. G. Edwards, Jr., who is attending high school in Raleigh, spent the week end at home.

Mr. and Mrs. George Crabner of New Jersey are spending a two weeks' vacation with their uncle, William Klingenschmidt, and family.

Miss Nettie Gschwind left Sunday afternoon for Marietta, where she will be a member of the school faculty.

Miss Katie Cameron of the Cypress community underwent an appendicectomy operation in the Lee Memorial Hospital in Sanford on last Sunday.

Robert Laubscher of High Point spent the week-end with his mother, Mrs. Emma Laubscher.

Mrs. Ed Cameron returned to her home in Raeford last Sunday, after having spent a week with Mr. and Mrs. T. F. Cameron.

Mr. and Mrs. W. D. Matthews and family and Mrs. Bertie L. Matthews visited relatives in Sanford Sunday afternoon.

Mrs. H. A. Borst, Mrs. W. H. Keith, Mrs. W. C. Leslie, Mrs. C. J. Temple, Mrs. G. W. Griffin and Mrs. S. R. Smith spent Thursday in Hamlet attending a meeting of the ninth district of the State Federation of Women's Clubs.

Rev. and Mrs. D. N. Caviness, who spent the summer at Roaring Gap, were guests of Mrs. A. Cameron and family for the week-end, stopping over as they were en route to Ocala, Florida for the winter.

Rev. Mr. Caviness served as pastor of the Johnson's Grove Methodist Church some twenty odd years ago, and it was an especial pleasure to those of the present membership who knew and loved him then to have him worship with them at the morning and evening services Sunday. After Mr. Ball's sermon at the morning hour, Mr. Caviness had charge of the communion service.

J. M. Matthews, Mrs. George Barr-

hardt, Joe Barnhardt and Miss Ruth Craven of High Point called on their Matthews relatives here Sunday afternoon and later went to Sanatorium to visit Mr. Barnhardt, who is a patient there.

Quite a number of Vass people attended the county fair last week. The Vass-Lakeview schools had an attractive booth, on which they won third prize, and several of the local poultrymen brought back worth-while prizes. Mrs. R. L. Oldham proved the champion prize winner among the ladies. She won eighteen ribbons on her canned goods and fancy work.

Mrs. Oldham is president of the local home demonstration club.

An unusual burglary took place in Vass during last Friday night, and the intruder might almost be classed as a gallant burglar. One of the front windows in the Vass Mercantile dry goods store has been broken for some time and is held in place by small blocks of wood fastened together with screws. The burglar carefully removed these screws, laid the piece of glass to one side, went inside the show window and selected one pair of trousers from the five on display, and went his way without going into the main part of the store.

The next morning a filthy, ragged suit of overalls was found outside,

proof that the trousers were badly needed.

Family reunions are usually delightful occasions, and the one held on last Sunday at the home of Mr. and Mrs. Paul Gschwind, honoring their son Ed and his wife from Kansas City, was no exception to the rule. Ed's most recent visit prior to this was six years ago and Mrs. Gschwind had never met his people until this trip, so the day together was one of unusual interest.

Immediately after Sunday School the children, grand-children and great-grand-children assembled at the Gschwind home and at the noon hour a bounteous picnic dinner was spread.

"OUR MOTTO"

If you are satisfied tell your friends. If not tell us.

Nothing less than a six can give you built-in smoothness

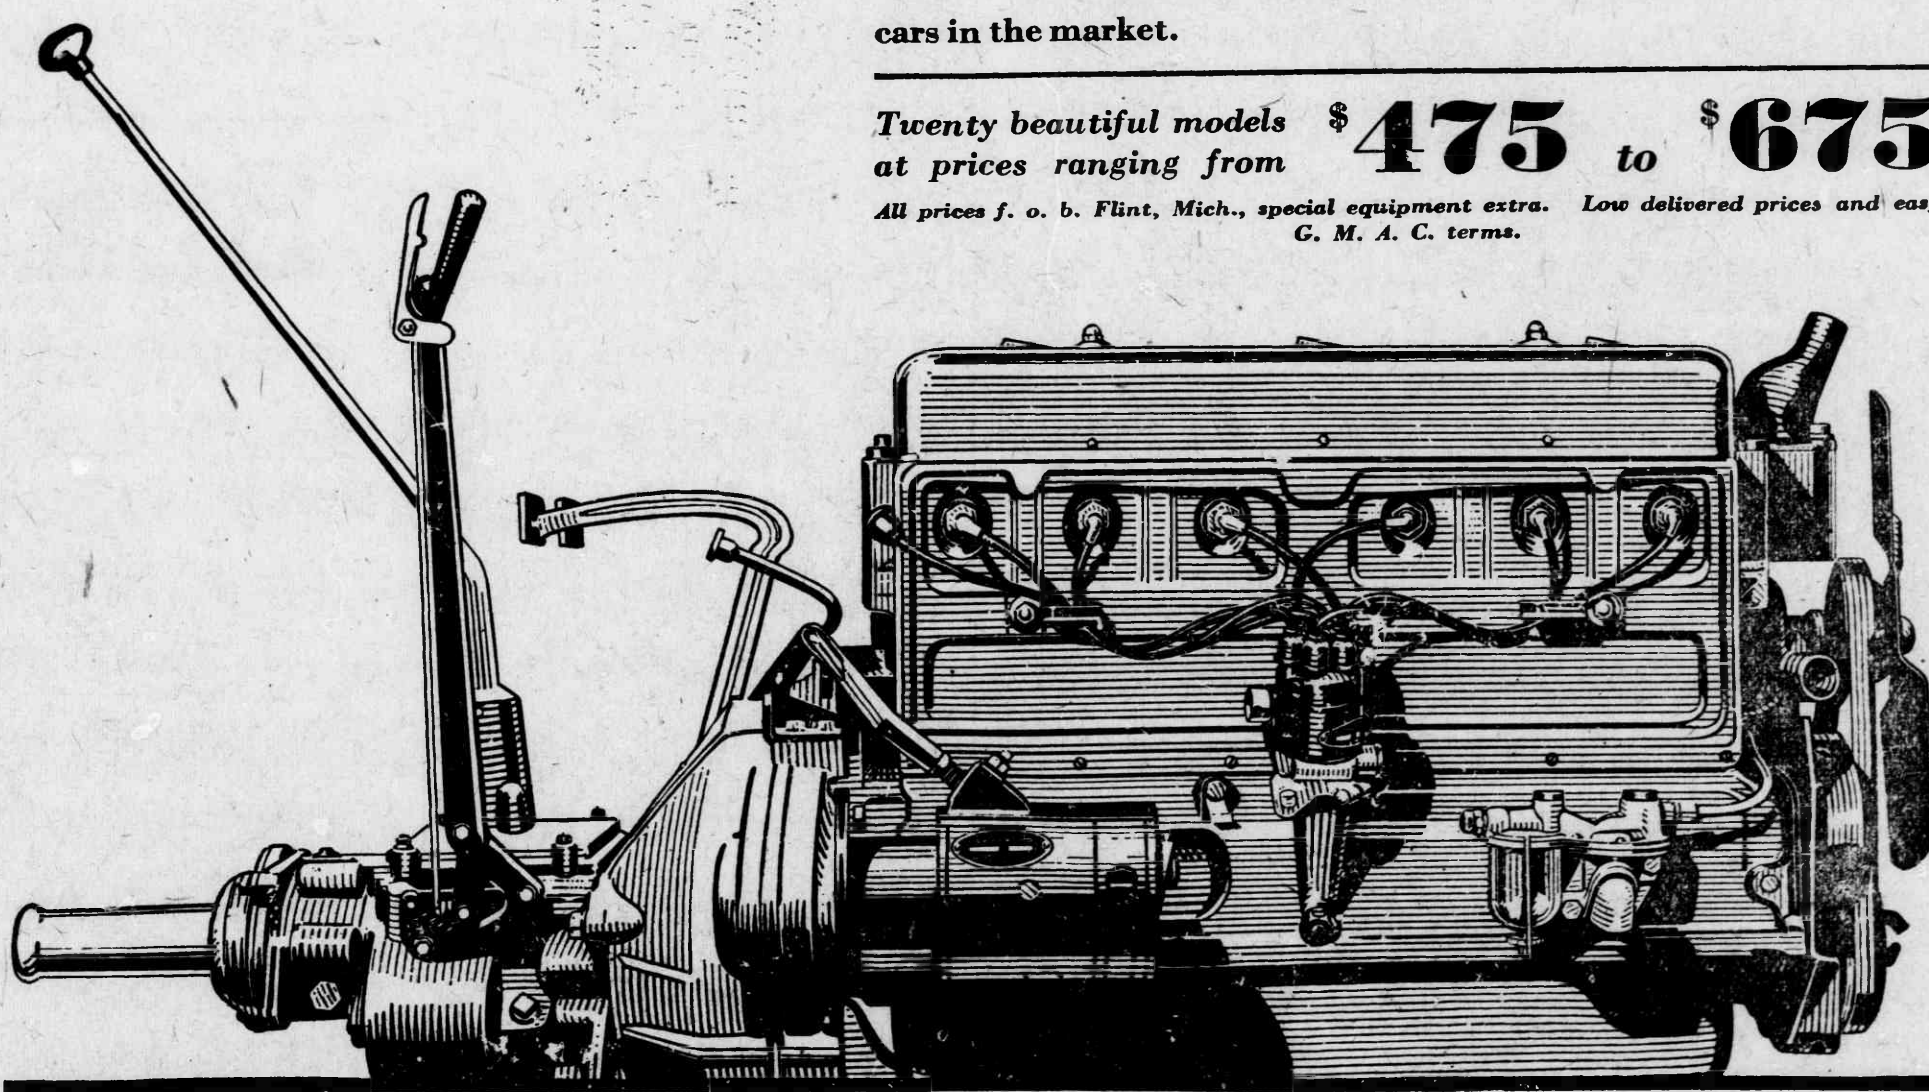

The whole question was settled long ago—as to how many cylinders it takes in a motor car engine to give satisfactory smoothness. Science definitely established the fact that at least six are necessary. And today, the public accepts the multi-cylinder engine in the same way that it accepts 4-wheel brakes, parallel-mounted springs and every other principle of proved and acknowledged superiority. Everybody knows that nothing less than a six can give you built-in smoothness.

This general acceptance of the multi-cylinder idea has had a great deal to do with the fact that the Chevrolet, month after month, during 1931, has been the largest selling automobile. For Chevrolet is a six.

Today, this six-cylinder smoothness and dependability are within reach of every new car buyer. For Chevrolet has produced a quality car, powered it with a firmly-mounted six-cylinder motor—engineered it to run at less expense for gas, oil and upkeep than any other car—and priced it right down among the very lowest-priced cars in the market.
