

Says Hospital Visits May Prove Costly

Germes Often Carried Into Institution Unwittingly by Those Visiting Sick Friends

Children under the age of twelve years are most susceptible to such contagious diseases as diphtheria, scarlet fever, measles, whooping cough, chicken pox, etc. Often a child may be developing any of these conditions several days before parents realize anything is wrong with the child but, at the same time, the condition may be in its most infective and contagious stage.

It happens frequently that an infant or small child visiting a hospital or any strange place becomes fretful or restless and may cry loudly. This not only disturbs the patient whom the child is visiting but other patients in the hospital who may be in a desperately ill condition and to whom rest and quiet may be essential.

The best hospitals admit patients to their wards and rooms with one idea in mind, namely, to assist in getting the patient well at the earliest possible date and under the most pleasant and satisfactory conditions.

Parents and relatives of patients should cooperate along this line. Visiting hours at the Moore County Hospital are as follows: Private rooms, 9 a. m. to 9 p. m.; wards, 3 to 4 p. m. and 7 to 8 p. m.

STATE GARDEN CLUB TO MEET AT GREENSBORO NOV. 6

The Garden Club of North Carolina, in order to facilitate its work in the Piedmont district and in order that its members may be fully informed as to the State, National and International garden movement, issues an invitation for luncheon at the King Cotton Hotel, messanine floor at 1 o'clock on November 6th.

The program will be as follows: "The State and National Work, Mrs. J. B. Cranmer; "Your Work and the State Highways," E. B. Jeffress; "Dr. B. W. Wells' Book," Mrs. S. H. Tomlinson; "The Piedmont District," Mrs. Wesley Taylor; "Visiting Italian Gardens Under the Auspices of the National Council," Mrs. C. I. Carlson.

ED WILLIAMS GRANTED PAROLE BY GOVERNOR

Governor Gardner has granted a parole to Ed Williams as a result of recommendations filed with him by Solicitor Don Phillips, Sheriff C. J. McDonald, Clerk of Court John Wilcox, Register of Deeds W. J. Harrington, Superintendent of Roads Fred Edmundson and others.

In his parole, the Governor says: "The only loser in this matter, I am informed, was the prisoner himself. The property belonged to him and he received no insurance whatever by the burning." Williams, the parolee, has a splendid prison record, being in the honor grade. He is paroled under the supervision of the Superintendent of Public Welfare of Moore county.

MOORE PORTRAIT ADMIRIED

A portrait bearing the inscription "Alfred Moore, U. S. Supreme Court, 1775-1880" which has recently been hung in the courtroom at Carthage is creating quite a bit of interest and calling for much admiration.
