Petition was made this week by the Town Board of Commissioners of Southern Pines to the North Carolina Corporation Commission for a change in the rate schedule of the Central Carolina Telephone Company, operating in Southern Pines and Pinehurst. The commission is expected to approve the schedule promptly.

During this summer the Board of Commissioners made a demand on the management of the telephone company to give consideration to a revised schedule for its seasonal business, and after many conferences, a schedule, based on a minimum period of six months service, was mutually agreed upon, calling for the following schedule of rates to be charged for seasonal business (six months) for the Southern Pines exchange.

Business 2 party	30.00
Business 4 party	27.00
Business Multi-party	24.00

For seasonal service three (3) months or less the following rate schedule is to apply:

Service	1 Mo.	2 Mo.	3 Mo.

	Extension	2.00	4.00	6.00

Except where miscellaneous equipment and/or extra exchange is involved in the rate, subscribers who have paid for the three (3) months seasonal service and later decide to retain the service for an additional period, not to exceed three (3) additional months service, shall be entitled without additional payment, to receive service for an additional period not to exceed three (3) months.

Subscribers having miscellaneous equipment and/or extra exchange mileage who have paid for the three (3) months seasonal exchange service and later decide to retain the service for an additional period, not to exceed three (3) additional months service, shall be entitled to receive service for an additional period not to exceed three (3) months, upon the payment of additional charges for miscellaneous equipment and/or extra exchange mileage, equivalent to a season of six months.

For all seasonal miscellaneous equipment and/or extra exchange mileage charges; twice the monthly rate for such service shall apply. Foreign exchange mileage, the full twelve (12) month rate to apply.

Kiwanians Celebrate 10th Birthday With an 'Old Home Day' Gathering

Seventy-Five Active and Former Members Gather For Enthusiastic Meeting

The Kiwanis Club of Aberdeen had a birthday party on Wednesday, and seventy-five members and former members assembled in the Church of Wide Fellowship in Southern Pines for the most enthusiastic gathering the organization has had in many a long day. Kiwanis is ten years old in the Sandhills, founded in Aberdeen in December, 1922. Since that time it has enrolled 190 members, and its career has been one of distinguished service to the community.

On the program at Wednesday's "Old Home Day" party were all the former presidents of the club who could be present. Robert N. Page, second president, spoke of the splendid accomplishments of the organization during its existence, especially emphasizing its efforts toward the building of the Moore County Hospital. Talbot Johnson, third to head the organization, told of the early days, how the club came to start in the community, of how it came to be a community organization rather than just Aberdeen. A group from Aberdeen petitioned Kiwanis International for a charter, but found twenty members were needed for a start, which made it necessary to go into Southern Pines, Pinehurst and the adjacent towns to find enough men interested in the idea. He told of the election of Dr. W. C. Mudgett as the first president at a meeting held in the Mid-Pines Club. Dr. Mudgett was unfortunately unable to be present Wednesday.

Senator Johnson Speaks

Edwin McKeithen, fourth president, spoke of the value of Kiwanis to the Sandhills and made some practical suggestions for constructive work for the club to undertake during the coming year. Dr. J. W. Dickie, fifth president, was not present. Paul Dana, the sixth, spoke briefly of club accomplishments. Murdoch M. Johnson, seventh president, motored up from his home in Camden, S. C., for the reunion and made a stirring talk brimming with the humor for which the former State Senator from this district is noted. His successor as club president, Frank Shamburger, could not be present, and Richard Tufts, immediate past president followed Mr. Johnson and told something of what the organization had been accomplishing and trying to accomplish during the past two years. He made an appeal for the return to the active fold of former members.

Others called upon for talks were Judge Herbert F. Seawell of Carthage, Judge William A. Way, Arthur Newcomb and the Rev. Murdoch McLeod. County officials present were

BROTHERS RESIDE HERE

News of the sudden passing of Dr. D. N. McLauchlin, one of this section's most distinguished sons, in Norfolk on Thursday of last week brought deep sorrow to his many relatives and friends in this part of his home state.

Mr. and Mrs. D. A. McLauchlin and A. D. McLauchlin of Vass and Mrs. A. W. McNeill of Manley went to Norfolk to attend the funeral and accompanied the remains to Chester, S. The death of Dr. McLauchlin, for 20 years of the Second Presbyterian Church of Norfolk and one of Norfolk's most beloved citizens, shortly before noon last Thursday was the result of a heart attack. He was in his seventieth year.

Death overtook him in the downtown office of a physician where he had gone after being stricken with a sharp pain in his side as he was walking down the street. He lay down in the physician's office but before an investigation of the cause of his ailment could be made he died. The cause of death was given as angina pectoris.

Dr. McLauchlin's health had been regarded as good, though he had been stricken several years ago with illness which had left his physical strength slightly impaired. He had not complained of feeling unwell recently and was following his usual active routine up to the very time that he was stricken.

Funeral services were conducted at the Second Presbyterian Church Friday afternoon at 4 o'clock. The Rev. Ernest L. Thacker, retired, officiated, with the assistance of the Rev. Jason L. MacMillan, D. D., pastor of First Presbyterian Church, and the Rev. W. H. T. Squires, D. D., pastor of Ingleside Presbyterian Church. The remains were taken to Chester, S. C., to be interred there.

H. H. BECKWITH TO SPEND \$20,000 AT 'HOMEWOOD'

Two Contracts for Extensive Landscaping of Knollwood Estate Are Awarded

FOLLOW COLONIAL LINES

H. H. Beckwith, who last spring bought the fine Homewood House at Knollwood, has given contracts for about \$20,000 worth of improvements to be made at once. This will be done in two separate jobs, the one of landscaping going to E. S. Draper of Charlotte, one of the most widely known landscape architects of the South, aided by W. C. Holleman, architect, who was active in the original work. They will carry one of the most elaborate projects of that sort in this section. Meanwhile Reinecke & Co., will develop the entire front of the tract, building walls, roads, terraces, entrances, etc. in an equally elaborate scheme. Their job will begin at the line of the street, and will consist of extended brick work, large towers at the entering drive, approaches to the main part of the house and drives to the side and rear. The type of construction will be similar to that of the building, in harmony with the early Colonial, brick and cement entering into the construction with suitable metal pieces for decorations at the main corners.

The contractors will complete the work by the first of the year, when it is probable that some other development will take place, this time in the house itself. The property occupies the entire square of several acres and with its location is capable of being made one of the prominent homes of rural North Carolina.

Democratic Party Sweeps Nation, State

Franklin D. Roosevelt Carries All But Four States in Landslide

MOORE COUNTY RETURNS

The Democratic candidates swept nation, state and county in Tuesday's election. Governor Franklin D. Roosevelt, President-elect, was given a Democratic Senate and House to aid him in his program. Roosevelt carried at least 42 states, possibly more when final returns are in. President Hoover appeared the winner in Connecticut, Delaware, Maine, New Hampshire, Pennsylvania and Vermont at time of going to press, but the vote was close in Connecticut, New Hampshire and Vermont and might be in the Democratic column on the final count.

J. C. B. Ehringhaus was elected Governor of North Carolina to succeed Governor Gardner. Robert R. Reynolds was chosen United States Senator by a wide margin over Jake Newell, Republican. This Eighth Congressional district gave its Congressman, Walter Lambeth, another term by a sizeable margin.

In Moore county the electorate chose the entire Democratic ticket to govern its affairs for another term. The canvass of votes in the county was begun at 11 o'clock yesterday morning in the courthouse at Carthage and the final returns by districts not available until mid-afternoon. These returns appear in a table in this issue of The Pilot.

Roosevelt's popular majority over President Hoover was in excess of four million votes. The electoral vote at time of going to press stood:

Roosevelt—472; Hoover, 59. Hoover received 444 electoral votes four years ago, showing the complete upset in this year's election. The President failed to carry New York, New Jersey, Massachusetts, Kansas and other states practically always to be found in the Republican column.

County Government

In the county Angus B. Cameron of Carthage was elected to the State Assembly to succeed U. L. Spence of Carthage. Charles J. McDonald was re-elected Sheriff, W. J. Harrington Register of Deeds, D. Carl Fry succeeds himself as Coroner and M. McQ. Bailey as Surveyor. George H. Humber, unopposed, is again judge of the Recorder's Court, and M. G. Boyette, unopposed, Solicitor. Ryan McBryde of Raeford and Henry L. Ingram of Asheboro were elected State Senators from this district.

The following will serve on the new Board of County Commissioners: Wilbur H. Currie, Carthage; E. C. Matheson, Eagle Springs; L. R. Reynolds, High Falls; Frank Cameron, Cameron and Gordon Cameron, Pinehurst. Currie, Matheson and Frank Cameron are on the present board, Reynolds and Gordon Cameron new comers to the commission.

In a special election in Sandhills township, John T. Harrington of Aberdeen was elected Town Constable over D. B. Fletcher of Pinebluff.

In a special School Board election in Aberdeen district, M. H. Folley of Aberdeen and John Fiddner of Pinebluff were elected to the board, Mr. Folley replacing Will A. Blue, whose term expired. Mr. Fiddner succeeds himself.

Money Coming In

\$70,000 Already Collected on 1932 Taxes, Much Better Than Year Ago

While the tax collector is busy receiving last year's taxes which are still coming in, the county auditor is making fine progress with 1932 taxes. From October 15th, the date when the books were opened, until the end of the day's business on November 1, \$70,000 was paid in. This is a much better start than was made during a like period in 1931.
