

District Commander Legion Guest March 1

Sandhill Post Striving for Full Membership Quota Before Wednesday

The regular meeting of Sandhill Post No. 134 scheduled to have been held in Aberdeen this Thursday night was postponed until next Thursday night, March 1st in order that District Commander Ferree could attend and address the meeting. The post will convene in the Methodist Club House in Aberdeen at 8:00 p. m.

The post is busy with its annual membership drive in an effort to sign up its 1934 membership quota before the District Commander's visit and Post Commander Vance Rowe urges all members who have not already signed up for 1934 to do so before next Thursday night.

The recent appointment of Vice Commander John Stephenson as United States Deputy Marshal for the Middle District of N. C. will probably necessitate a special meeting for the election of some one to fill his place, as the Legion's by-laws prohibit Le-

gion officials from holding political office at the same time.

Plans for the Legion Minstrel Show to rebuild the Post's Disabled Veteran's Relief Fund are going forward under the direction of Lloyd Wooley and L. V. O'Callaghan. This fund has been sadly depleted during the past two years because of the many demands made upon it by sick and disabled veterans whose compensation has been cut off, or who have been out of work. Any contributions to this fund may be sent to Shields Cameron, a lieutenant, or F. M. Dwight, finance officer of the post.
