

ABERDEEN SENIORS TO GIVE "LOOKIN' LOVELY"

The senior class of the Aberdeen High School will present "Lookin' Lovely," a three-act comedy, at their class play in the High School auditorium, Friday night, May 4 at 8 o'clock.

Members of the class and faculty assistants have been working hard on the preparation of this play and its fast being rounded into shape for presentation. It's a clever story and careful thought has been given to the selection of the cast and an evening of more than usual enjoyment is promised those who attend.

Those taking part in the play are Frances Jean Freeman, Frances Lee Caviness, Elizabeth Fletcher, June Adams, Marguerite Deyoe, Pauline Adcox, Lida Duke Blue, Elbridge Park, Willie Ray Lampley, Lawrence Farrell and Jerry McKeithen.

"CYCLONE SALLY" TO REACH VASS FRIDAY

"Cyclone Sally" is scheduled to reach Vass at 8 o'clock on Friday evening, May 4, and it is expected that her friends from far and near will be in the Vass-Lakeview school auditorium to greet her when she makes her appearance. In fact, those in the school community who have been hearing about her can hardly wait for the time to come, so eager are they to see her.

"Cyclone Sally" is the title of the three-act play which the high school is presenting on the last night of commencement. The title role will be played by Emily Laubscher, and Robert Rosser will appear as Jack Webster, owner of the Webster estate and the leading man. A. G. Edwards, Jr., will be there as Reggie Manners, a young Englishman who is an adept at plucking peaches. Joe McRae will play the part of Jim Jerkins, who courted for twenty years, but is not yet discouraged, and Elizabeth McCraney as Jenny Thatcher is the object of Jim's persistence. The fun of the whole works, if we are to believe reports, will be Franklin Matthews as Willie Clump, the eighth wonder. Completing the cast are Eva Callahan as Ruth Thatcher, a peach Reggie would like to pluck; Pauline Thompson as Effie Varden, a cute little neighbor, and Marian Cameron as Vivian Vernon, the belle of Cedar Point.

The baccalaureate sermon will be preached by the Rev. A. W. Dick of Fayetteville on next Sunday evening, April 29 in the school auditorium; recitation-declamation contest Tuesday evening; class day exercises Thursday evening; graduating exercises Friday morning at 10 o'clock with an address by Dr. George Howard of the University. All evening programs will begin at eight o'clock.

Miss Eva Callahan, president of the senior class of the Vass-Lakeview high school, was hostess to members of the class at dinner Sunday. Miss Callahan has been president of her class throughout the four years of high school and is valedictorian.

CIVIC CLUB GIVE CHINESE TEA TODAY

A large and enthusiastic audience enjoyed the Piano Recital given by Mr. Armitt Brown at the Civic Club on Friday last. The Civic Club members and their guests feel greatly indebted to Mr. Brown for the unalloyed pleasure he gave them by his sympathetic and masterful rendition of the compositions of such masters of the world's music as Bach, Schubert and Brahms.

The Friday afternoon lectures and teas at the Civic Club have met with great success during the winter season. On this Friday afternoon at 3:15, April 27, a Chinese tea will be given at the clubhouse. Every one who has some Chinese possession is invited to bring it for exhibition purposes and, if they will, relate any interesting association they may have with it. Tea will be served. No admission fee and the public is welcome.

Theatre

"Viva Villa" is a great picture, a big picture, a mighty screen entertainment sweeping powerfully across humanity's heartstrings. Auspiciously born out of a nerve-racking production travail, in inspired scenes it records the saga of a man of the masses and, in a Momic portrait, encompasses Pancho Villa, hero and a human being. Like the "Marseillaise" rousing the emotions, it reveals the birth of Mexico amid a cavalcade of stirring climaxes. Spun from the fiction of truth, it thrillingly rides the meteoric parade of Pancho as a boy, and Villa as a man. Berry's Villa is an unforgettable conception. The entire cast is made of splendid selections and performs admirably and humanly. Jack Conway's direction rushes him in to the spotlight of accomplishment. "Viva Villa" will be the attraction at the Pinehurst Theatre, Monday, April 30th, matinee and night.

The attraction at the Pinehurst Theatre, Wednesday, May 2nd, matinee and night, is an adaptation of the famous stage play which had a long run in New York, "The Witching Hour," featuring Judith Allen, Sir Guy Standing, John Halliday, Tom Brown, and Olive Tell. According to a preview of this attraction in the World Herald, this is the kind of a picture you have been waiting for—gripping novelty that is quality entertainment.

With one of the largest and most imposing casts ever assembled for a motion picture production, Fox Film's latest release, "Stand Up and Cheer" will make its appearance on the screen of the Pinehurst Theatre, Friday, May 4th, matinee and night. The story is that of a Broadway theatrical producer who is called upon by the President of the U. S. to help restore prosperity by reviving the spirits of the people through a gigantic amusement campaign. With the cream of the entertainment crop at his disposal, the producer puts on display the most lavish amusement units ever produced. Among the thousand and one wonders in the picture, there are hundreds of dazzling girls, a vocal chorus of 500, 1,000 players, 325 scenes, 1,200 wild animals and 5 bands of music. Produced by Winfield Sheehan, in association with Lew Brown, the film was directed by Hamilton MacFadden, from an original story idea suggested by Will Rogers and Philip Klein. Sammy Lee staged the dances while Lew Brown and Jay Gorney were responsible for the song numbers—"Our Last Night Together," "Baby Take a Bow," "I'm Laughing," "Broadway's Gone Hill Billy" and "Out of the Red." "Stand Up and Cheer" is the closing attraction at Pinehurst.

It might happen to the best of us—surprises often do—so if you've never had a face-to-face meeting with the bail bond racket, which comes under the blistering spotlight of exposure in "Blood Money" the new George Bancroft vehicle which is the attraction at the Southern Pines Theatre Monday, Tuesday, Wednesday, April 30th, May 1-2, with a Tuesday matinee, here's your chance to learn about it from the inside. The story exposes the machinations whereby imprisoned crooks are sprung unscrupulous politicians are railroaded into office—and out of it, and mayors are made and unmade at a jerk of the thumb of the bail bond racketeer.

South Sea island adventure, jungle love, and chortling comedy feature the scenes of Paramount's "We're Not Dressing," the climax of Bing Crosby's long list of entertainment achievements, and the attraction at the Southern Pines Theatre, playing a return engagement, Thursday, Friday, Saturday, May 3, 4, 5, with a Saturday matinee. Carole Lombard, George Burns and Gracie Allen Ethel Merman, Leon Errol, and a strong supporting cast, joined hands and voices with Crosby to make his Paramount vehicle sixty minutes of unequalled action and melody. Bing Crosby portrays a two-fisted sea-faring man with a voice and heart of gold, who works aboard the yacht of Miss Lombard. The ship sinks, but Crosby and Miss Lombard escape along with the heiress' guests—Miss Merman, Errol and the fortune-seeking princess Jay Henry and Ray Milland. They all paddle their way to a South Sea island and there—suddenly jerked from the lap of luxury—attempt to wrest a living from nature. How Bing puts them to work, and how Miss Lombard discovers on the other side of the island, the camp of George Burns and Gracie Allen, big-game hunters, builds a climax which brings them all together in a tumult of thrills, laughs and songs.

NEW RELIEF PLAN GETS UNDER WAY IN COUNTY

(Continued from page 1) oversight of the director of the rehabilitation program. These farmers will be furnished feed for the mules until they can grow a crop and they have agreed that any surplus stock feed they produce is to be the property of the relief organization to be used for families that will be short on feed. The plan calls for the planting of all available land in peas and lespedeza, and it is hoped that enough will be produced in the county to do away with the necessity of purchasing hay for use in relief work next winter.

No community gardens will be planted this year, but school gardens will be made where the school has available land. Already, plans for gardens at Hemp, Highfalls and Mt. Zion white schools and Cameron colored schools have been made and the produce grown will be canned for use in school lunches.

According to Miss Head, Director of Relief in Moore county, there is no way for a family to get around making a garden and still receive aid, for in cases where the family owns no land, land will be procured on which a garden may be planted. The new set-up seems to be more on the "no workee, no eattee" plan.

Garden seeds have been received and are rapidly being distributed among relief families, all of whom are required to have their land prepared

for planting before they receive their allotment. The seeds are done up in packages, each of which contains the usual variety planted in a family garden, and the packages are of three sizes, one-acre packages, half-acre packages, and quarter-acre packages. Two hundred and thirty of the acre packages, 624 half-acre packages and 1100 quarter-acre packages have been received in Moore.

There are a number of farmers in the county who are land poor. They own acreage sufficient for a good farm, but are unable to finance the growing of a crop. For such as these a farm plan for a family of five, a one mule, twenty acre farm, has been worked out. Because of the excellence of this plan of planting, it is being passed on to the public as it will probably be of interest to many progressive farmers who are not on the relief list. Following is the acreage allotted to various crops: Corn, 8 acres; hay, 3 acres; garden, 1-2 acre; sugar cane, 1-2 acre; potatoes, 1-2 acre; money crop, 3 acres; pasture, 2 acres; oats or rye, 2 1-2 acres.

By this new plan of procedure, it is hoped that families now on relief may rapidly be transferred to the list of self-supporting citizens.

THE Ford V-8 for 1934 is the most economical car that Ford has ever built. It gives you even more miles per gallon of gasoline than last year's money-saving model... Tungsten steel exhaust valve-seat inserts make valve grinding virtually unnecessary for the life of the car; Aluminum-alloy pistons minimize carbon formation... Brakes need relining less frequently because of the great braking surface per pound of weight. And Ford springs—which give free action for all four wheels—seldom require lubricating. In addition, Ford parts cost from 17% to 59% less than parts for any car selling at near the price. And the record shows that Ford gives you greater "trade-in" value than any other car.
