**Autos and Wives
Cause Men Trouble**

**Past Week in Recorder's Court
Gives Them 50-50 Rating as
Source of Man's Trouble**

Judging from this week's Recorder's court, automobiles and wives are the causes of most of the ills that befall mankind and their rating is about 50-50.

C. A. Buckner, white, a traveling man from New Bern was fined \$50 and the costs, just because his automobile happened to be making 70 miles an hour when a patrolman came along.

On the very day that Willie Goldston, colored of Eagle Springs came into possession of an automobile, his troubles began. He was haled into court on charges of driving without a license and driving while intoxicated, and now he must spend four months improving the roads that he would like to be driving over in his newly acquired conveyance.

While making a trip to get medicine for a sick person, Carl Furr of Eagle Springs, white, was stopped by a patrolman, not because he was on an errand of mercy, but because his automobile had no license plate. Prayer for judgment was continued upon payment of the costs.

Bill McCan, colored of Eagle Springs was given twelve months for assaulting his wife and daughter with a deadly weapon.

Blake Garner, white of near Hemp, got drunk, it is said, and fought his wife, and he, too, was given twelve months on the roads.

Mack Parsons, white of Southern Pines, pleaded nolo contendere to a charge of abandoning his wife and baby, and he is to pay three dollars each week for their support and return to his wife a radio which he had previously given her as a birthday gift.

**PLANS FOR MAY DAY AT FLORA
MACDONALD GO FORWARD**

May Day at Flora Macdonald College, Red Springs, N. C., always "a thing of beauty," promises to be of unusual interest this spring. The Grecian motif, carried out in the story of Pandora, affords opportunity for artistic costumes and beautiful natural dancing.

Miss Virginia MacLean, of a prominent North Carolina family, daughter

of Mr. and Mrs. J. D. MacLean, of Red Springs, niece of Hon. A. D. MacLean, Asst. Attorney General of the U. S., is the lovely May Queen. Miss Caroline Banks Chapman, attractive daughter of Mr. and Mrs. Robert Chapman of Red Springs, formerly of Cheraw and Charleston, S. C., is Maid of Honor. Other members of the court are Miss Frances Mallard, of Wilmington, N. C., Miss Ruth Paxon, of Jacksonville, Fla., Misses Tillie Black, Dorothy Singleton, and Marion Kelly Townsend of Red Springs, and Miss Margaret Britton Sykes of Fayetteville, N. C. Members of the cast will be announced later.

**SUNDAY AFTERNOON
BLAZE DRAWS CROWD**

Sparks from the kitchen chimney started a lively blaze in the roof shingles of the residence of Mrs. Mary B. Hall on Vermont avenue shortly after 2 o'clock Sunday afternoon. Responding with their usual commendable promptness the men of the Southern Pines fire department

blaze with the chemical apparatus so expeditiously that the damage to the house is small, and to the furnishings none. The clamor of the alarm attracted a large crowd to the scene. Friday, April 27, 1934.

**NO TAX ON PACKING SUPPLIES
WHEN SOLD TO GROWERS**

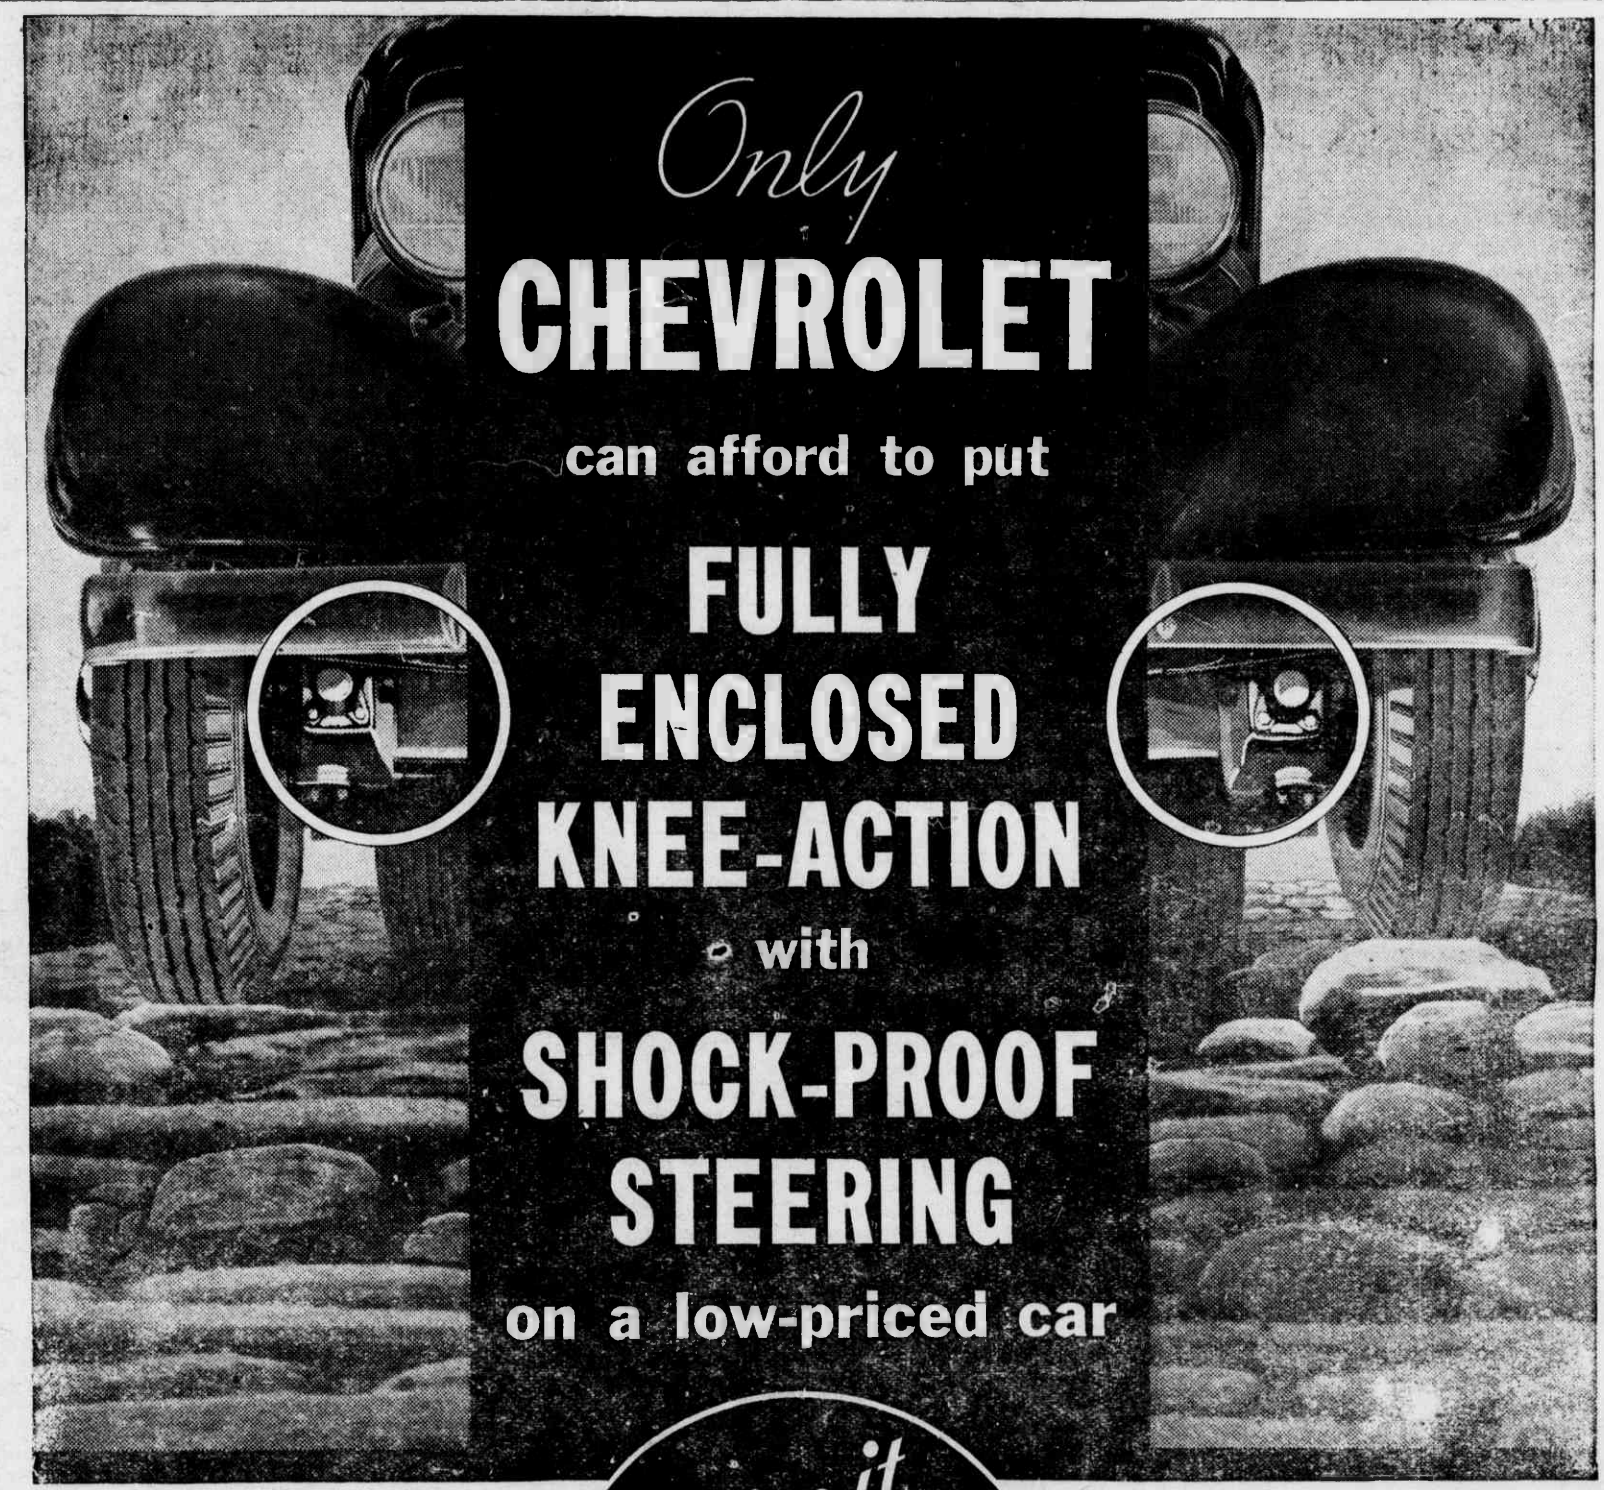

Sales of barrels, baskets, crates and other packing cases and containers, when made to producers and growers, and contractors engaged in growing and producing, will be classed as sales for resale and not subject to the retail general sales tax of three per cent, Commissioner of Revenue Maxwell holds in a ruling just issued. When such packing cases or containers are sold for consumption by the producer or grower and not resold, they are taxable as retail sales, the three per cent sales tax, the revenue officials said.

CHEVROLET When you pay the price of a Knee-Action car, you naturally want genuine Knee-Action and all that goes with it. You want the new gliding ride at its smoothest, safest, and best. You want simple, foolproof, and trouble-proof construction—the huskiest, sturdiest front-end you can buy. And, of course, you want shock-proof steering—it is the natural companion of the gliding ride. You pay for these things, and you want them all—but you can get them, in the low price field, only from Chevrolet. The reason is simple. Fully-enclosed Knee-Action wheels are

costly to build—so costly that only Chevrolet, world's largest builder of cars, can afford to make the necessary huge investment in new machinery—and still keep prices among the lowest of the low. Only Chevrolet has the resources and the assured volume of sales that permit this extra production cost. Chevrolet does it because Chevrolet believes that, to KEEP ON SELLING THE MOST CARS, YOU MUST KEEP ON BUILDING THE BEST. And judging from the popularity of the 1934 car, America agrees with Chevrolet. CHEVROLET MOTOR COMPANY, DETROIT, MICH.
