HIGH SCHOOL BALL TEAM WINS ONE, LOSES TWO

Last Friday afternoon the baseball team of the Southern Pines school won its first game of the season, triumphing over Carthage by a 9-7 score.

The game started out as a tight, well-played contest, but the last few innings were quite different. The locals, however, got into the lead early in the game and were never headed. Mills hurled the entire game for Southern Pines, while Fields and Snipes pitched for the losers.

Two games were lost the early part of this week, one to Farm Life and the other to Carthage. Both were played on the opposition's diamonds. The locals were weakened by the loss of several players who were also members of the Glee Club and in Greensboro.

Farm Life won on Tuesday by a 7-4 count. The winners made all of their runs the first two innings and thereafter Russell Powell did not allow a hit and only two men reached first. Frye, however, was a serious problem to the local batters and they failed to overcome the Farm Life lead.

A close game was dropped to Carthage on Wednesday by the one-run margin of 5 to 4. Dutton and Powell hurled for the locals while Callahan was on the mound for the home team. Maples and Boney, with two knocks each, led the batting attack for Southern Pines.

Two home games are on the schedule for next week. West End comes here for a contest on Tuesday afternoon, and Raeford High School will clash with the locals on Friday. Both games are due to start at four o'clock.
