

Big Fourth of July Celebration is Planned

Double Header Baseball, Picnic, Fireworks and Dance on Menu for Southern Pines

At a meeting of the Special Fourth of July Committee of the Chamber of Commerce held on Wednesday of this week, plans were laid for the greatest Fourth of July Celebration ever held at Southern Pines.

A double-header baseball program in the afternoon between West End and Vass at 2:00 o'clock and Southern Pines and Aberdeen at 4:00 o'clock will be among the main attractions for sports enthusiasts. Charlie Picquet, president of the Moore County League, predicts two of the best games of the season.

The recently organized All-States Association is planning to entertain its membership with a real old fashioned picnic dinner at noon. Harry Lewis, president of the association, has that in charge and will make further announcements as his plans become more definite.

No Fourth of July celebration can be complete without some fireworks and so the committee has started raising funds for a grand fireworks display to be held in the evening that will surpass anything of the kind in Moore county since the grand fireworks display staged by Ogden Jones, Sam Richardson and other citizens of Southern Pines twelve years ago in the heyday of the peach boom.

A Fourth of July Ball at the Southern Pines Country Club after the fireworks will end up the day properly for those interested in dancing. The committee is endeavoring to secure Jelly Leftwich's popular orchestra for this affair.

The special committee in charge of the day's events is composed of Dr. G. G. Herr, chairman; Charlie Picquet, Hugh Betterley, Harry Lewis, Herbert Cameron, Robert Gregson, A. Montesanti, Bob Hart and Shields Cameron. This committee will welcome contributions to the fireworks fund. Checks should be made payable to Fourth of July Committee, Southern Pines.

\$77,000 PROVIDED FOR NEW POSTOFFICE HERE

(Continued from page 1) authorized by the PWA, but for which the allotments are not sufficient to meet present price scales.

Determined to take no further chances on the PWA in handling the postoffice building program, the bill stipulates that the construction of the buildings provided for be handled by the supervising architect and the postmaster general, where it had been until taken over by the PWA, and that these officials go forward.

Representative Walter Lambeth of Thomasville who has been battling for postoffice in this, the eighth district which has been held up by the PWA expressed himself as well pleased with the program. Indications are that the program would be put through at once.

Stanley Winborne was renominated over E. C. Mason for Utilities Commissioner in the only state-wide contest in the primary.

Theatre

Even the announcement of the appearance of Gracie Allen and George Burns is a signal for a laugh, so we merrily announce the attraction at the Southern Pines Theatre Monday, Tuesday and Wednesday, June 11, 12, 13 with a Tuesday matinee, to be nothing else but "Many Happy Returns," featuring these two stars, ably supported by a cast of comedy favorites, including George Barbier, Stanley Fields, Joan Marsh, Ray Millard and Franklyn Pangborn, with Guy Lombardo and his Royal Canadians for the musical background, and the dance teams consisting of Veloz and Yolanda and John Taylor and Clark Rutledge.

"Many Happy Returns" has everything from soup to nuts, mostly nuts. Allen and Burns have never been paired to better advantage and Gracie has never had any dizzier moments. She does everything wrong at the right time from destroying valuable papers to cornering kidnappers. The situations are screwy, the dialogue is screwy, and we doubt if the director was in his right senses. It moves fast and furiously. There is no let-down; no pauses waiting for something to happen. Even the se-

quences featuring music by Guy Lombardo and his band, and dance routines by Veloz and Yolanda and atmospherically hilarious. And, by way of laugh desert, Mickey Mouse again will be seen in his latest opus, "Gulliver Mickey." If you do not want to laugh, by all means stay away from "Many Happy Returns."

"Sadie McKee," Joan Crawford's new starring vehicle, is the attraction for Thursday, Friday and Saturday, June 14, 15, 16 with a Saturday matinee. This is one of the rare pictures that will please everybody. The men will get their usual thrill out of watching the fascinating Joan; the women will get a kick out of her stunning new wardrobe, to say nothing of the perfect love scenes between the star and Franchot Tone. Filmed on a lavish scale, the picture, based on Vina Delmar's novel, depicts the rise of a servant girl who ultimately becomes the wife of a multi-millionaire. Gene Raymond, Edward Arnold and Tone are the men whom she meets on her way and between whom she has to make a final choice.

PIEDMONT GROCERY OPENS
The Piedmont Grocery Company of Aberdeen, wholesalers, has re-opened its warehouse after being closed for the past two years. W. D. Caviness is in charge.

FORD CLEAR-VISION VENTILATION banishes the "blind spot" forever. Each window is in a single rattle-proof piece.

Everybody boasts

about his FORD V8

DRIVE your Ford V-8 down a highway. You can pass expensive cars with ease. Drive it to the country club. You can park it beside expensive cars with pride. No wonder Ford V-8 owners talk out loud about their cars!

The V-type engine holds every speed record on land, water and in the air. It is a more expensive engine to construct. Only Ford has been able to put it in a low price car. V-8 performance would cost you at least \$2500 in any other car!

Power and beauty are just a part of the Ford V-8 story. The Ford V-8 is one of the most comfortable cars on the road. It offers you clear-vision ventilation... hydraulic

shock absorbers... big car roominess... and richly upholstered cushions that are so comfortable you wish you could take them into your living room.

Most important, the Ford V-8 is the only American car that gives you free action for all four wheels—with the priceless safety of strong-axle construction.

Before you buy any car at any price, drive the Ford V-8.

THE V-TYPE ENGINE holds every world record for speed on land, water and in the air.
