# Theatre

The screen seldom presents a more thoroughly interesting piece of entertainment than the adaptation of Dashiell Hemmetts popular novel, "The Thin Man," featuring William Powell and Myrna Loy, which is the attraction at the Southern Pines Theatre, Monday, Tuesday and Wednesday, July 9, 10, 11 with a Tuesday matinee.

The rapid fire dialogue is about the best heard since talkies and it is delivered by Powell and Miss Loy to perfection. The story concerns the mysterious disappearance of an old inventor and the efforts of the local police force to uncover the mystery. Powell, a retired detective who is married to wealthy Myrna Loy, is at first amused at the efforts of the cops but later takes it upon himself to solve the mystery. Here's a mystery-melo-drama, with all the thrill and suspense; comedy in which there is a laugh in almost every line of dialogue, action and situation; romantic love interest that's sweet and sympathy stimulating and has entertainment that is entertainment from start to finish.

Force comedy, predominates in "Kiss and Make Up," featuring Gary Grant, Helen Mack, Edward Everett Horton and Genevieve Tobin, which is the attraction Thursday, Friday and Saturday, July 12, 13, 14 with a Saturday matinee. Carrying a stand-by romantic motivation, novel entertainment is found in the striking manner in which it liberally satirizes the modern feminine tendency to keep young and charming via beauty shop, face lifting, diet and prescribed exercising.

Well mounted and dressed, modern settings and innovations make it a good looking picture. It is lavish, eye filling and humorous.

Added interest is the inclusion of the famous Wampas Baby Stars of 1934, including Katherine Williams, Lucile Lund, Judith Arlen, Jean Gale, Hazel Hayes, Gigi Parish, Betty Bryson and others. An added attraction is another of those Our Gang Comedies, "Honky Donky."

With the announcement of price reductions several weeks ago, Chevrolet stepped into the most favorable price position it has enjoyed in a long time!

Reductions amounting to as much as \$50—the most substantial price cuts announced in the low-price field this year—dropped Chevrolet's base price to a new low figure of \$465. Just compare this price—compare any Chevrolet price—with those of other cars. Then compare what you get for what you pay! There'll be no question in your mind which car to buy.

Chevrolet offers patented Knee-Action—and others do not! The same thing applies to Fisher body, cable-controlled brakes, shock-proof steering, and valve-in-head six-cylinder engine. Chevrolet gives you far more features—far finer quality. Yet the price of the Chevrolet Standard is lower than that of any other six or any eight in the world.
