**Beloved Physician  
 of Hamlet Passes**

**Dr. Sam E. Teague, Who Spent  
 His Boyhood Days in Moore  
 County, Dies**

Dr. Sam E. Teague, who spent his boyhood days in Cameron, died at the Hamlet hospital Friday, August 10.  
 He was carried to the hospital two weeks ago, and had been in a serious condition since. He is survived by his widow and parents, Mr. and Mrs. C. H. Teague of Hamlet and three uncles, Attorney D. B. Teague of Sanford, Attorney S. F. Teague of Goldsboro and C. E. Teague of Greensboro, Comptroller of Woman's College.  
 Dr. Teague who was born in Franklinville, spent his boyhood in Cameron. He graduated from Wake Forest and Tulane University, and practiced medicine in Goldsboro for two years, after which he moved to Hamlet where he practiced his profession for ten years. Dr. Teague was greatly beloved by man, woman and child of both races in Hamlet; he was never known to refuse a call, but ministered gladly to suffering wherever found. By request his body was carried to the Baptist Church in Hamlet at 1 o'clock p. m. Sunday, where it lay in state until 3 o'clock, the hour of the funeral, and hundreds of people passed by the bier to look for the last time on the face of their friend. His pastor, the Rev. J. B. Willis, assisted by the Rev. Dr. Hawkins of the Sanford Baptist church, conducted the funeral service, which was attended by the largest assembly that ever gathered in Hamlet for a like service. Friends, relatives and physicians from all over Richmond and adjoining counties were present, others coming from Sanford, Goldsboro, Greensboro, Raleigh, Charlotte, High Point, Franklinville, Asheville, Wilmington and Columbia, S. C., to do homage to this quiet, unassuming, efficient, christian physician. He was a member of the Baptist church and the American Legion. Interment was in the local cemetery; his grave and the entire Teague plot was covered with exquisite floral designs, then they were placed to form a floral fence around the plot. This wholesale expression of the love and esteem felt by the people for Dr. Teague was greatly appreciated by his widow and parents.

**COUNTY SHOWS SMALL  
 INCREASE IN HIGHWAYS**

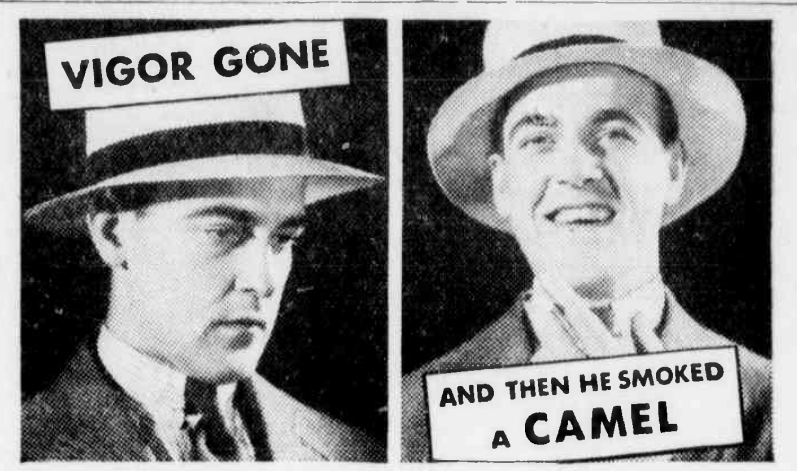

Moore county had 137.6 miles of State highways and 540.4 miles of county roads on July 1, 1934, according to a survey made by the State Highway and Public Works Commission, as compared with 124.85 miles of State highways and 526.5 miles of county roads as of June 30, 1930.  
 In most counties an increase in mileage in both State and county highways is shown, but in some instances there is a shrinkage. This does not mean that some roads have not been added during the four-year period, but in many cases it was found that the 1930 survey of county roads, made in preparation for the State to take over county roads for maintenance, was inaccurate. In some cases roads were recorded that did not exist at all. The changes made since then have made the figures more accurate, but some mileage has been added in most counties.

**CARD OF THANKS**

We take this means of expressing to our many friends our heartfelt thanks and appreciation for the many kindnesses shown us during the illness and death of our beloved husband and father, and also for the lovely floral offerings.  
 --Mrs. C. E. Pleasants and family.

**Cameron and Community**

Circle No. 1 of the Presbyterian Woman's Auxiliary met with Mrs. Jackson Keith, at her attractive country home on Route 1, last Thursday afternoon, with the chairman, Mrs. Loula Muse, presiding. Mrs. J. M. Guthrie was program leader, and gave an interesting review of the growth of the church during the past year, she made it particularly forcible with a splendid poster.  
 Circle No. 2 met with Mrs. Jewell Hemphill on Friday afternoon and the chairman, Miss Thurla Cole presided. Devotional conducted by the Auxiliary president, Mrs. J. E. Snow. Program leader was Mrs. Alex McPherson, who gave a fine review of the growth of the church the past year.

**CHEVROLET**  
 The exceptional popularity which Chevrolet has enjoyed for many years has naturally had its effect on Chevrolet prices. Large sales have enabled Chevrolet to maintain consistently low purchase prices, which were recently lowered even further. As a result Chevrolet now offers you the lowest priced six-cylinder automobile obtainable—a big, comfortable car with Fisher Body styling and refinement—safe, weatherproof, cable-controlled brakes—the smoothness and economy of a valve-in-head, six-cylinder engine—and typical Chevrolet dependability. In offering this car, and the Master models, at substantially lower prices, Chevrolet hopes to repay the motoring public in some measure, for consistently placing Chevrolet so high in public favor.
