

### Post-Season Series of Baseball Planned to Start on Labor Day

#### Aberdeen Takes Second Place by Winning One and Losing One

To replace the cancelled Field Day program, President C. W. Picquet of the Sandhills League has devised a play-off plan that should provide some good snappy baseball for the fans in this section.

The plan is this: Beginning on Monday, Labor Day, a post-season series will be started, the competing teams to be composed of, on one side, picked players of the Vass and Southern Pines teams, and, on the other, picked players from Aberdeen and West End. The number of games to be played has not been decided upon, but it is probable that five games will be played.

The first game will take place on the Southern Pines field at 3:45 p. m. Monday.

This series was decided upon because of the large number of requests that some kind of baseball program be presented on Labor Day.

#### Closing Games of Season

As a fitting climax to a disastrous season, the Southern Pines baseballers journeyed to Aberdeen on Wednesday and there, in the final Sandhills League game for 1934, they were thoroughly and soundly trounced. The final score was 12 to 6.

Aberdeen lost little time in jumping off to a lead, as they tallied eight times in the first four frames and the losers never seriously threatened this margin.

Millar was the victim of the early rally and his ineffectiveness increased during his tenure on the mound. Patterson took up the hurling chores to start the fifth and stopped any further scoring until the seventh when Aberdeen chalked up three more markers.

George Martin again proved too much for Southern Pines as he limited the locals to six hits in his eight innings of pitching. Purv Ferree went to the mound in the ninth.

The victory gave Aberdeen undisputed possession of second place in the league standing.

On Tuesday afternoon Vass took a thrilling 11-inning encounter with Aberdeen by a 6 to 4 margin as the relief pitching of Phil Turnley proved too much for Aberdeen.

The contest was a pitchers' battle throughout with spectacular fielding featuring until the eleventh, when each infield tried to see how many errors they could make.

Leonard Russell went the route for Aberdeen with Howard Callahan as his opponent until the eighth, when Turnley relieved the Vass star. Russ pitched beautiful ball all the way.

### Smith-Gaddy Brawl Aired in Court

#### Smith Charged with Assault on Female, Thomas Found Not Guilty

Luther Smith, white of near Cameron was in Recorder's court on two charges of assault on a female. The cases were continued until next Monday as the defendant wanted to produce other witnesses who were not available at this session of court.

Smith, according to the evidence, went with Ed Gaddy to the latter's home and upon arrival cursed Mrs. Gaddy, telling her to stop her noise. Gaddy told him that he must not have any sense at all, talking to his wife that way, and a fight ensued. Miss Susie Gaddy started to run to a neighbor's for help, whereupon Smith caught her, carried her back and, according to her version, slapped her. She managed to get away again and ran to the home of O. R. Thomas a quarter of a mile away. Thomas heard the girl's cries and saw Smith following her. He ordered him to stay off his property, but Smith proceeded, saying he was going to get Susie and kill her, it is said. Thomas knocked him down and beat him until he agreed to leave. Smith was released, but he soon returned and was again beaten by Thomas. This procedure was repeated and the third time Thomas tied Smith's hands behind him with a rope. Smith pleaded with him to let him go and was again released, but after staying away for a little while, he turned as if to go back and Thomas this time beat him with the rope, injuring him quite severely.

Smith had Thomas arrested on a charge of assault with a deadly weapon with intent to kill, but the court found him not guilty, holding that he was only defending his own home. Smith is said to have been drinking some dewberry wine earlier in the day of the fight.

### Texas Negro Caught Here Sent to Roads

#### Chief Gargis Apprehends Thief Soon After Crime Is Committed in Cameron

Leno Lewis is a traveler and in his day has seen quite a bit of the country, but for the next six months he is to confine his travels to the roads of Moore county. But that's getting ahead of the story.

Leno, claiming to have come from Texas, was passing through Cameron Sunday when he struck up an acquaintance with Toy Oats, another colored man and they became quite friendly. Toy invited the traveler to his home and as it was around noon, started to make a fire in the stove preparatory to cooking dinner. Leno modestly confided that he was a cook of no mean ability, whereupon Toy turned over to him the pork chops to cook and went into another room and lay down on a bed to await dinner. He dropped off to sleep and did not awake until well into the afternoon. He went into the kitchen. Part of the food, still warm, was there, but the friend had disappeared.

About this time a woman who had been resting in another room started to dress to go off for a while. She looked in the closet to get a dress, but it was not there. Likewise, her shoes were missing. Toy, also, decided to change his clothing, but his suit and a pair of pants were nowhere to be found.

Officers were notified and Chief Gargis of Southern Pines got out on the highway to see what he could see. Presently a colored man carrying a laundry bag approached. The Chief inquired as to the contents of the bag and a search revealed a dress, a suit, pants, slippers, a Bible, and two pairs of hair clippers. The traveler was immediately halted and given lodging.

Toy had not missed his Bible, but when the sheriff displayed it in court he was able to identify it as it contained some pictures that had been placed in it.
