

WIFE OF ELBERT CURRIE DIES AT PINEHURST HOME

Former Joan Heyward, Native of Kent, England, Was Highly Esteemed Here

ACTIVE IN CHURCH WORK

Mrs. Elbert Currie, highly esteemed woman of Pinehurst, passed away at her home here early Saturday morning following an illness of more than a year, her death bringing sadness to the entire community.

The funeral service was held from the Pinehurst Community Church Sunday afternoon at 3 o'clock, conducted by the pastor, the Rev. A. J. McKelway, and the Rev. Mr. Hamon, pastor of Bensalem church, of which Mr. Currie was formerly a member. Pallbearers were Ellis Fields, Leslie Gilliland, J. D. Welch, A. P. Thompson, Charles Fields and Floyd Medlin. The beautiful floral offerings were carried by women in Mrs. Currie's circle of the Auxiliary. Interment was in the West End cemetery.

Before her marriage, nearly fourteen years ago, Mrs. Currie was Joan Heyward and was born and reared in Kent, England. She came to America 21 years ago and had lived in Pinehurst for the past seven years, where she had by her kindly manner endeared herself to all with whom she came in contact. She was active and ever faithful in church work, being a member of the church choir until her health failed, and was never called upon for any service in the Auxiliary or Parent-Teacher Association that she did not respond most graciously. She possessed the strength of quietness so rare and beautiful, and in the long months of great suffering remained cheery and uncomplaining. She was an ideal wife and mother. Surviving are the husband, and one son, Thomas, age eleven, one brother, R. L. Hayward and three sisters, Mrs. C. E. H. Lynch, Mrs. Albert Jones and Mrs. John Taylor, all of England.

"Safety First"

Sheriff's Office to Cooperate in Effort to Protect Lives of School Children

To protect the lives of the thousands of Moore county children who will start to school next week, the county commissioners are instituting a "safety first" campaign and they are hoping to receive the whole-hearted cooperation of every mayor and law-enforcement officer in the county as well as of every school bus driver.

The matter came up at the meeting of the board on Monday when the body was requested to take out insurance protecting the children, but it was suggested that it was too late to repair the damage after a child had been killed and that the proper thing to do was to prevent accidents. The board immediately passed an order directing the sheriff and his deputies to be diligent in observing the operation of the school busses as to speed and reckless and careless driving, and to bring into court any driver operating his bus in a manner that would endanger the safety of the children in his care.

Sheriff McDonald happened to be in the commissioners' room when the matter came up, so the board discussed the order with him and he pledged his hearty cooperation.
