

### Jim Kimball Held For Superior Court

#### Charged With Burglary After Entering Home of Aged Vass Resident

Charged with first degree burglary in connection with his alleged entering of the home of Daniel Hector McNeill, prominent 84-year-old man who resides near Vass, Jim Kimball, white of Vass, was on Monday in Recorder's Court bound to Superior Court without bail. The alleged entrance took place about 3 o'clock in the morning some two weeks ago, but was not made public by the family for several days. In the house were Mr. McNeill, his aged wife who is an invalid, and the latter's nurse, Miss Shula Vick.

According to the story told in court, Kimball, in an intoxicated condition, went to the McNeill home. While on the porch, he called out, then pushed the door open and walked in. Going into Mr. McNeill's bed room, he fell down upon the bed. Mr. McNeill told him to get out and when he made no move to comply, the aged man reached for his gun and struck the intruder. Kimball finally got as far as the porch and stopped, whereupon McNeill went after him using his unloaded gun in bayonet fashion and knocked him off the porch, then ran him out the gate.

Evidence in court brought out the information of a former offense. A colored woman, Mary McAllister, testified that Kimball went to the McNeill home about eight o'clock in the evening of a day in February and took his seat beside Mrs. McNeill's bed; that she went out the back door and got a neighbor to come and take him out.

Marvin Blue, white, told of going to the McNeill home on that evening and getting Kimball away. Mr. McNeill was very ill at the time, it is said.

Moody Bean, white of Cameron, charged with assault and battery, public drunkenness and using profane language, was given 30 days on the roads, suspended upon payment of a \$25 fine and the costs and upon condition that he remain of good behavior for two years.

Dewitt Short and Cecil Fry, white of Pinehurst, were given 60-day sentences in a case of several weeks standing in which they were charged with assaulting Sandy Benson with a shot gun. Short gave notice of appeal and bond was fixed at \$500. In another case, Cecil Fry was given 30 days for carrying a concealed weapon, this sentence to run concurrently with the former sentence.

Curtis Fry and Charles Calcutt, white of Pinehurst, arrested along with Cecil Fry, were given 30 days each on public drunkenness and trespass charges, to be suspended upon payment of one-half the costs each and their remaining of good behavior.

One ride

is worth a thousand words

WHAT you hear and what you read about a car should be considered before you buy—but one ride is worth a thousand words. Out on the road you get nothing but facts. The best place to test Chevrolet's Knee-Action is a stretch of bumpy road, where you can see for yourself what a big difference Knee-Action makes in riding comfort. Chevrolet welcomes this fair and thorough test because it will acquaint you not only with the Knee-Action ride, but with all the other features that Chevrolet owners like—the smooth, economical, valve-in-head engine

that gives you more speed than you will ever care to use; the positive, cable-controlled brakes that are safe and reliable in any weather; the handsome finish and the roominess of bodies by Fisher, and the added comfort of Fisher Ventilation. For your own satisfaction, go to your nearest Chevrolet dealer and make the Ownership Test by driving a Knee-Action Chevrolet as you would drive your own car. Chevrolet is satisfied to let you and the ride decide which car is the best for you.
