The Week in Vass

On Wednesday evening members of the ladies' Bible class of the Methodist Sunday school were entertained by their president Mrs. W. D. Matthews, assisted by the former president, Mrs. S. R. Smith, at the Matthews home. The program opened with roll call, each member giving a joke in response. A pillow relay race followed, and each member of the losing team was required to give in pantomime some specified event for the benefit of the winners. Mrs. C. J. Temple's "visit to a dentist" was one of the best. Mrs. H. A. Borst and Mrs. W. J. Cameron were winners in a Bible contest; Mrs. Emma Laubscher and Miss Nettie Gschwind, in "A Flower Romance," and Miss Gschwind and Mrs. W. H. Keith tied for first place in recognizing towns suggested by certain objects. An iced course was served.

Class members present included Mrs. C. J. Temple, Mrs. W. H. Keith, Mrs. H. C. Callahan, Mrs. H. A. Borst, Mrs. C. L. Tyson, Mrs. Emma Laubscher, Mrs. W. T. Cox and Miss Sallie Cameron. EYES are made for SEEING ... NOT MEASURING

HOW WELL DO YOU SEE?
Which line is longer?
(Answer Below)

Don't trust your eyes to make accurate measurements. Eyes are highly sensitized organs but they do not always see things as they really are. They cannot judge if there is adequate light.

The sight meter measures what your eyes have always guessed at—the seeing conditions in your home—office—factory. This remarkable instrument measures the intensity of light and records it on a scale as easy to read as a common ruler. The sight meter shows if the lighting conditions under which you work are causing eyestrain.

Sight meter tests are made quickly; they are fascinating to watch; THEY PROTECT YOUR EYES.

Make your home and business quarters safe for seeing. Ask us to make a sight meter test today. There is no charge for this service.
